

## Annual Title I Meeting

TITLE I, PART A PARENT AND FAMILY ENGAGEMENT

# Annual Title I Parent Meeting

**The requirement:** All schools receiving Title I, Part A funds are required to convene an annual Title I, Part A parent meeting

- to inform parents and families of their school's participation
- to explain the requirements of the Title I, Part A program
- to explain the right of parents to be involved

# Title I, Part A Program

---

La Grange Elementary participates in Title I, Part A Schoolwide program– this program is intended to improve student academic achievement

Explain the requirements of the Title I, Part A program

Emphasize the right of parents to be involved in the school's programs. Examples: participate in decisions relating to the education of their children, assist in the review and revision of policy, compact, and Title I plan, serve on parent advisory board, etc.

**The LEA Title I Plan addresses how the LEA will use Title I, Part A funds within the school district.**

Typically, in Texas, requirements of the Title I Plan are incorporated into the District Improvement Plan (DIP) and the Campus Improvement Plan (CIP). Topics include:

- High-quality student academic assessments
- Supplemental services to assist struggling students
- Coordination and integration of federal funds and programs
- Strategies to implement effective parent and family engagement
- Title I, Part A parents have the right to be involved in the development of this plan

# Policy and Compact

---

Distribute and review the written [parental involvement policy](#) and [school-parent compact](#)

Describe the role of parents to help develop, review, and update these documents: the policy and compact as well as the Title I plan (which is usually included within the District Improvement Plan, DIP, and the Campus Improvement Plan, CIP)

**At elementary schools –  
REQUIRED  
parent-teacher conference to  
present and discuss the compact**

---

**The policy addresses how the school will implement the parent and family engagement program. The policy includes:**

---

- Convene an annual meeting
- Provide a flexible number of meetings
- Involve parents in an organized, ongoing, and timely way, in the planning, review, evaluation, and improvement of the parent and family engagement policy and program
- Provide timely information about parent and family engagement activities
- Provide information to parents about curriculum and assessment
- If requested, provide additional meetings with parents to discuss decisions for the education of their child

# The school-parent compact is a written agreement...

- That describes how parents and families, school staff, and students share the responsibility for improved student academic achievement
- That addresses high-quality curriculum and instruction to meet State academic standards
- The ways in which parents will support their child's learning
- That stresses the importance of frequent communication between school and home, and the value of parent-teacher conferences (**REQUIRED** in elementary schools)
- That affirms the importance of parents and families in decisions relating to the education of their children
- Title I, Part A parents have the right to be involved in the development of the school-parent compact
