The Best and the Brightest

Message from our principal

Congratulations to our TIGERS for being an **A** school again! Our teachers, staff and students have been working really hard! We are proud of our achievements! On November 16th we will be having our 3rd Annual Turkey Trot Walk-A-Thon! This is our Big fundraiser to help us raise money for our PBIS and CKH incentives. Your students will be coming home this week with information. Please help us support our school. Attendance is such an important part of student success. Please try your best to have your children in school everyday! Congratulations Mrs. Camarillo (K) & Ms. Rodriguez (5th) for winning the attendance Hero's Award! We Are The Best and The Brightest!

Respectfully,
Mrs. Middleton
