# D'ANASTASIO DEDICATION

On June 18, 2024, on what would have been Dante D'Anastasio's 110th birthday, Camden Catholic was honored to bless and dedicate his portrait, which now hangs in the Ethel Mae Hocker Information Commons at CCHS.

Dante D'Anastasio was a registered architect, engineer and land planner in New Jersey and was a registered architect in Pennsylvania, New York, Delaware, and Georgia. In 1960, he led the architectural planning of the brand new Camden Catholic school building in Cherry Hill.

Monsignor Andrew Martin, President Emeritus, blessed the portrait in grateful praise to God for giving Dante the skill to design a home of learning and faith for Camden Catholic students.

Along with the portrait, Duke D'Anastasio gifted a generous donation of \$25,000 to The Fund for Camden Catholic which will endow future scholarships based on merit and need for incoming students.

He was the founding partner in 1965 of D'Anastasio, Lisiewski & Tarquini (DLTL) which was based in Camden for over 50 years. Dante was married to his wife Ursula for 64 years. Dante and Ursula's children Angela '59 and John "Duke" '65, and daughter-in-law Kathleen '65 are proud graduates.

Dante's children, Duke '65, Angela '59 and daughter-in-law Kathleen '65 and his grandchildren were present for the dedication.

## GUIDANCE OFFICE DEDICATED TO JACK PHIPPS

CCHS was honored to welcome the Phipps family home to CCHS, along with many of Jack's colleagues, friends and former students, to celebrate his life and legacy by dedicating the Office of Guidance to him after the May Mental Health Awareness fundraiser in his honor.

Thanks to the support of so many of our alumni, current and former faculty who contributed \$28,330, the **Jack Phipps Memorial Fund** went above and beyond its goal to honor Jack's years of love and care for CCHS students.

The Fund will accomplish a number of goals intended to immortalize Jack Phipps' contributions to our community and to expand guidance and mental health services at Camden Catholic.

- See the dedication and renaming of the CCHS guidance office for Mr. Jack Phipps;
- Fund a physical upgrade/improvement within the guidance office;
- Support the acquisition of additional guidance staff specifically aimed at addressing mental health services; and
- Rename the annual guidance scholarship in Jack Phipps' honor.

## Secure Your Legacy and the Future of Catholic Education through a Planned Gift to Camden Catholic

Since 1887, Camden Catholic High School has endeavored to educate diverse learners and develop innovative leaders who are steeped in the Catholic tradition of Mercy. For nearly 140 years, this mission has driven our efforts to provide an educational experience rooted in faith, academic excellence, and service to others. As we look to the future, we recognize the vital role our community plays in sustaining and enhancing our mission. As a member of that community, one of the most impactful ways you can contribute is through *planned giving*.

### What is Planned Giving?

Planned giving refers to any major gift, made in lifetime or at death as part of a donor's overall financial and estate planning. Such gifts often allow donors to make larger contributions than they could from their income. These gifts can take many forms and offer many tax benefits, including;

- **Bequests** - Including Camden Catholic in your will or trust is a simple and effective way to make a lasting impact while potentially reducing your own estate tax liability.
- **Charitable Trusts (CRTs)** - These trusts provide income to you or your beneficiaries for a set period, after which the remaining assets benefit the school. (By transferring appreciated assets into a CRT, you avoid immediate capital gains tax. The trust can sell the assets without incurring capital gains tax, allowing the entire proceeds to be reinvested.)

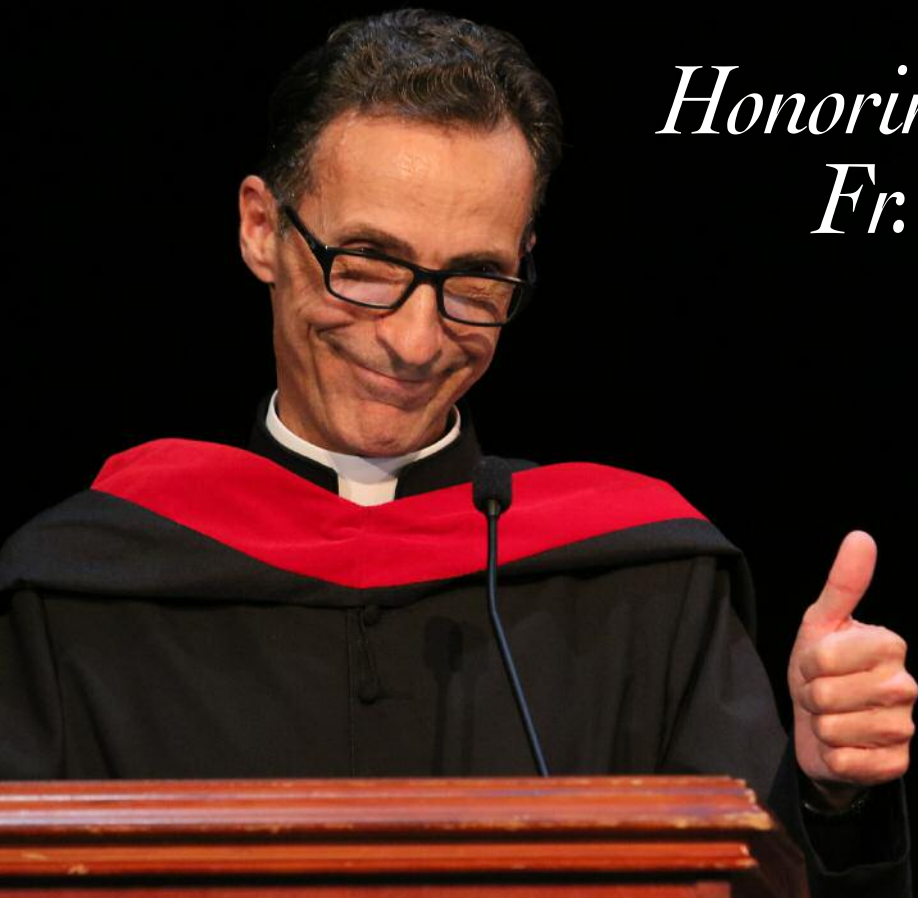

- **Life Insurance** - By naming Camden Catholic as a beneficiary of your life insurance policy, you can make a significant future gift with relatively modest current costs. (With Camden Catholic named as the beneficiary, the policy proceeds are removed from your estate, potentially reducing estate taxes.)
- **Retirement Plan Assets** - Designating Camden Catholic as a beneficiary of your retirement plan can be a tax-efficient way to support the school. (Retirement accounts, such as IRAs and 401(k)s, can be heavily taxed if left to heirs. By naming Camden Catholic as a beneficiary, you can avoid income taxes that might otherwise be due.)

### How to Get Started?

Planning your legacy is a deeply personal and significant decision. We invite you to explore the possibilities of planned giving with Camden Catholic. Our Advancement office is here to assist you and your advisors in creating a gift that meets your philanthropic and financial goals.

For more information on planned giving, please contact **Angela Leone Carrozzino, Director of Donor Experience & Alumni Engagement**, at 856-663-2247 or [angela.leone@camdencatholic.org](mailto:angela.leone@camdencatholic.org). Together, we can secure your legacy and our future while continuing our mission to nurture minds, hearts, and spirits.

*Thank you for considering this profound way to support our school community.*

# *Honoring the Legacy of Fr. Joe Capella*

Camden Catholic is proud to announce the founding of a memorial scholarship fund to honor the life and legacy of beloved former Rector, **Rev. Father Joseph Capella**, fondly remembered by students, faculty, and staff as Father Joe. Father Joe passed away in 2022 after prolonged illness, but the words of his final address to the Camden Catholic community continue to inspire. "You are now called as alumni of CCHS not to live in the same world as others, but to live in the same world differently."

The **Reverend Father Joseph Capella Memorial Scholarship Fund** aims to elevate students who indeed live differently. Scholarships will be awarded to students who show a great commitment to their Catholic faith through their involvement in parish life and service to the community. In addition to providing four-year scholarships to qualified candidates, monies raised will also fund the renovation and renaming of Camden Catholic's courtyard into the Capella Commons, a physical space that will honor Father Joe's legacy where students can gather to eat, read, pray, meditate, socialize, perform, and so much more.

Camden Catholic will host a private event to officially launch the Reverend Father Joseph Capella Memorial Scholarship Fund at the start of the 2024-25 academic year. Plans for the Capella Commons will be unveiled at that time as well.

“

"Father Joe's work as a school leader and pastor left an indelible mark on all he met. He inspired his parishioners, students, faculty, and staff to center their relationship with Christ in all they said and did to give glory to His sacred name. Camden Catholic was honored to be a part of Father Joe's life-journey, and we are proud to launch this fund to celebrate his lasting contribution and eternal legacy at CCHS."

-Jack Wixted  
*Chairman, Board of Trustees*

"It is our hope as a community that through this scholarship we will be able to offer a Camden Catholic education to students who will perpetuate Father Joe's message of Calvary love."

-Rory Sweeney

# 10th Irish Giving Day

# LEVELS UP!

NUMBER OF  
DONORS  
**1,010**

What began 10 years ago as a novel idea has now grown to be perhaps, Camden Catholic's most anticipated event of the year. Irish Giving Day grows annually, both in excitement, creativity, fun and in donations for The Fund for Camden Catholic. For the 10th celebration in 2024, CCHS asked our alumni and donors to Level Up in support of Camden Catholic, and you delivered to the tune of \$322,000, our largest Irish Giving Day to date!

New this year, CCHS partnered with donor platform, Givebutter, to offer ease of donations, and real-time tracking of donors. Givebutter was especially helpful to our Irish Athletics teams as they were able to keep their own fundraising pages and monitor outreach.

The Irish Giving Day assembly was unmatched as faculty, staff, alumni and students battled on the Mario Kart course while enjoying the hilariously entertaining duo of Finn Mazzola '27 (as Bowser) and Mr. Mike Kettelberger '12 (as Mario). Irish Cheer, our friendly bagpiper Mr. Thom Moore, and our leprechauns Jackson Young and Jack Kelly-Lyons helped to keep the Irish pride alive all throughout the day.

# Thank You!

Offering our most sincere thanks to this dedicated group of donors who have shown their support for Camden Catholic for over 20 years! Catherine McAuley once said, "We should all be shining lamps giving light around us." We extend love and gratitude to our most loyal supporters for shining their lamps so that others may follow.

# JOIN US!

*There are so many ways to make a difference. Which will you choose?*

## THE FUND FOR CAMDEN CATHOLIC

The greatest number of gifts to CCHS are unrestricted cash donations, known as CCHS's Greatest Need, to The Fund for Camden Catholic. Gifts can also be restricted to tuition assistance, arts or athletics, including specific sports. These gifts make strides toward helping us maintain a competitive value proposition for families seeking a Catholic education for their children.

### The Shamrock Society

The Shamrock Society is our giving club for donors who contribute \$1,000 or more to The Fund for Camden Catholic each year. Members of this society send an outward message that they know Camden Catholic and its students are a worthy investment.

### Tuition Assistance

Approximately one third of our students receive some form of tuition assistance based on a standardized assessment of financial need. Your gifts help each of our families continue to choose Catholic education. All recipients are chosen based upon academic performance and demonstrated financial need.

#### *Why Tuition Assistance Matters*

For years, the Sisters of Mercy were able to contribute their services to Camden Catholic High School to reduce the cost of tuition, thereby making a Catholic education affordable for families. Today, the rising costs of healthcare and technology attribute to a higher cost of education, and tuition must be increased accordingly.

#### *What can I do?*

- Contribute to tuition assistance and you will afford a student the opportunity to find themselves, uncover talents, grow academically and spiritually, and develop leadership skills for a 21st century world.
- Named scholarships can both support a student and honor a living individual, family, group, or memorialize a loved one.

### Other Ways To Contribute

**Stock** – Camden Catholic accepts gifts of securities, please contact the Advancement Office for required forms.

**Matching Gifts**– Many corporations now support private secondary education through matching gifts. Check to see if your company offers a matching gift program, and multiply the impact you're already making at Camden Catholic.

**In Memoriam** - You, or your family, can choose to recommend gifts to Camden Catholic in lieu of flowers within an obituary. If you wish the gifts to be restricted to a specific purpose please contact the Advancement Office at the time of the obituary's publication.

## LEGACY GIVING

Please call the Advancement Office at 856-663-2247 for more information on ways to make a lasting contribution to Camden Catholic.
