October 2023

Character Day

Bedford Elementary students will celebrate Character Day on Friday, October 27th. The Character Parade will begin at 1:30 p.m.

Students will walk on the gravel road behind the school. (Weather permitting). Spectators will walk to the parade from the parking lot past the primary playground. For security reasons, parents are not permitted into the classrooms after the parade. Please report to the office if assistance is needed.

To ensure student safety and security we ask parents not to come to school to dress their children or approach them during the parade. A wave and a smile will let your child know you are there and keeping ALL students safe. There will be parent helpers from the PTO available to help students with their costumes. If you wish to paint your child's face, it should be done prior to leaving for school in the morning. If your child needs their costume brought to school, please have the costumes at school by 11:00 AM to allow time for delivery to the child. After 11:00 AM students are at recess and lunch making it difficult to ensure your child has received their costume.

Parking is not permitted behind the school. Spectators may park in the bus parking lot. Cars will need to be removed immediately after the parade due to school bus parking for dismissal.

If you are picking your child up after the parade, please send a note in the morning with your child. The students do have a snack after the parade in their classrooms and watch a video of the parade.

Those students who do not wish to participate in the parade will report to the library. Parents choosing the library activity should contact their child's teacher in writing by October 24th.

Fall Picture Days

All students will have their pictures taken on the morning of October 6th, 2023. Please bring your picture envelope and payment to school to give to the photographer on picture day.
