## Definitions

PLC: Professional Learning Community. This is designated for teachers, and is a time for them to collaborate across grade levels or departmental lines on curriculum and assessment issues.

K-6 PLC/Assessment Day. Elementary students will report at times assigned by the school. No elementary bus transportation provided. Kindergarten schedules will be decided by individual schools.

Alternative make-up day. Scheduled for students to be off; however, depending on the use of snow days and unanticipated events, these may be re-classified as student contact days. This may be necessary to comply with State educational attendance requirements.

Please take this into consideration when planning family events.
District Closed. The District is closed for business and no employees are typically on duty.
