## REQUEST FOR PROPOSAL E. Reno Avenue Drainage Reconstruction

#### **Project Overview**

The City of Choctaw, Oklahoma, is seeking qualified contractors to submit proposals for a comprehensive drainage reconstruction project of a grass lined channel approximately seven hundred and twenty-one linear feet (721') in length. The purpose of this project is to enhance and upgrade the existing drainage infrastructure within the city, ensuring efficient water flow and mitigating potential flood risks. The selected contractor will be responsible for the construction and completion of the drainage reconstruction project in accordance with all relevant codes, standards, regulations, and provided plans. Firms interested in being considered for this project must submit three (3) hard copies.

#### **Scope of Services**

The scope of work for the drainage reconstruction project includes, but is not limited to, the following:

- 1. **Construction:** Execute the approved design plans, including but not limited to the installation of new drainage pipes, culverts, catch basins, and other necessary structures.
- 2. **Quality Control:** Implement a comprehensive quality control and assurance program to ensure that the construction meets the specified standards and requirements.
- 3. **Environmental Compliance:** Adhere to all environmental regulations and obtain necessary permits for the construction activities.
- 4. **Timeline:** Provide a detailed project timeline, including milestones and completion dates for different phases of the project.
- 5. **Budget:** Submit a comprehensive budget proposal that includes all costs associated with design, materials, labor, equipment, permits, and any other relevant expenses.

#### **Pre-Bid Meeting**

An optional pre-bid meeting will be held Wednesday, March 27, 2024 at 10:00 am at Choctaw City Hall. Following the pre-bid meeting, a site visit may occur should there be need for further clarification of scope or questions regarding the work to be completed.

#### **Proposal Cost**

The Contractor shall provide an itemized schedule of charges for labor and expenses that would generally be necessary to conduct services as defined in the section labeled 'Scope of Services'. Include the company's basic fee structure and breakdown of any other charges and hourly rates related to the proposal.

#### **General Information**

Issuing Office and Point of Contact
