HOW CAN I APPLY FOR FINANCIAL ASSISTANCE?

Due to limited funding, the state's Child Care Assistance Program (CCAP) will stop accepting new applications starting Friday, August 1, 2025. No additional funding is expected in the foreseeable future. Parent co-pays will also increase from 2% to 6% of the family income beginning 8/1. (For existing applications, the increase will occur after redetermination.)

If your family is currently enrolled in CCAP, it's important to renew your subsidy on time during your designated reauthorization window. Champions will share our child care license numbers with Community Child Care Solutions and registered families once they are received. In the meantime, please ensure you complete your renewal promptly to avoid any disruption in coverage. **Please note:** CCAP will continue to provide support for **all** children currently enrolled, including those in pre-K.

For new families, you may apply and receive approval in advance. Once Champions receives licensing approval and your subsidy application is processed, we can be attached as your child care provider. If your family does not currently have a subsidy but believes you may be eligible—or are interested in exploring this option—you must submit your application to Community Child Care solutions by end of day on 7/31/2025:

Families who are not eligible for subsidy support but have a demonstrated need for financial assistance are encouraged to reach out to our leadership team for consideration. We are committed to working with families to explore available options and support where possible.

I HAVE REGISTERED MY CHILD IN CHAMPIONS. WHAT ARE THE NEXT STEPS?

You will be receiving a Welcome Letter from our team, and as we get closer to the start of school, your Champions Site Director will reach out with a communication to introduce themselves. This will include their contact information, an overview of our health and safety protocols, and additional details about the program.

MY SCHEDULE AT WORK CHANGES EACH WEEK AND I MAY NOT NEED ALL 5 DAYS EACH WEEK. DOES CHAMPIONS PERMIT SCHEDULE CHANGES?

Yes! You'll have the flexibility to update your child's schedule each week through your account on our Parent Portal. Families can make changes for the upcoming week until Wednesday at 11:59 PM. You also have the option to remove your child's schedule for specific weeks at no cost to you.

I HAVE SPECIFIC QUESTIONS ABOUT THE PROGRAM AND CURRICULUM. WHO CAN I CONTACT TO LEARN MORE?

Our **Highland Park Champions Leadership Team** is happy to help and will personally respond to your questions. Once the school year begins, your **Champions Site Director** will be your main point of contact and will share regular newsletters and updates to keep you informed about all the exciting things happening in the program!
