

Tremont Community Unit School District #702

SALARY AGREEMENT – CERTIFIED STAFF

- I. **Length of Agreement** – This agreement shall be in force for the FY24 and FY25 school years. Changes in legislation regarding minimum base salaries or TRS creditable earnings may require negotiation and revision of this agreement during this term.
- II. **Salary** – Beginning with the FY25 school year, a salary schedule will be re-implemented. Salary increases for the term of this agreement shall be as follows:

FY24 - \$300 salary increase FY25 - 1% salary increase

Base Salary – The Base Salary will remain the same for FY24 and FY25 as the employee TRS contribution shifts to become a benefit provided by the district.

FY24 - \$40,526 FY25 - \$40,526

- III. First year teachers, starting with District #702, will be paid base salary.
- IV. The Board reserves the right to withhold salary increments to any teacher considered below standard by administrators and the Board of Education. In addition, The Board reserves the right to establish pay for new or existing individual teachers that may be considered above the norm in order to obtain or retain teachers whenever, in its judgment, the best interests of the district will be served.
- V. **TRS** – The Board of Education will shelter allowable contributions of each certified employee's salary paid into Illinois Teachers' Retirement System (TRS). Neither the Board of Education nor any agent of the Board of Education shall make any representation as to the tax treatment of said payment.

For the 2023-24 school year, the Board shall pay 5% of the employee's mandated 9% contribution to TRS. Beginning in 2024-25, the Board shall pay the entire 9% mandated employee contribution to TRS on behalf of the employee. *This TRS shift does not apply to those who have submitted notices of retirement to receive the 6% retirement incentive.*

At any time, should the required TRS member contribution exceed 9%, the increase would be paid by the employee. At that point, any excess amount

above 9% would be deducted from the employee's salary and remitted to TRS on the employee's behalf.

To prevent the district from making any additional contributions (penalties) to TRS, during the employee's last four years of employment prior to retirement, the employee's TRS creditable earnings from the prior year to the next shall not exceed a 6% increase.

- IV. **Retirement Incentive** – If an employee gives the Board an irrevocable notice of retirement by April 1st, three (3) years prior to the year of the retirement, the Board shall pay him/her a six percent (6%) retirement incentive, inclusive of any other increases in compensation for each year of his/her remaining three years of service.

If an employee gives the Board an irrevocable notice of retirement by April 1st, two (2) years prior to the year of retirement, the Board shall pay him/her a six percent (6%) retirement incentive, inclusive of any other increases in compensation for each of his/her remaining two years of service.

If an employee gives the Board an irrevocable notice of retirement by April 1st one (1) year prior to the year of retirement, the Board shall pay him/her a six percent (6%) retirement incentive, inclusive of any other increases in compensation for his/her remaining one year of service.

Once an employee submits an irrevocable notice of retirement by April 1st, that employee shall be removed from the collectively bargained agreement. All calculations for salary increases will be based on the Teachers Retirement System (TRS) creditable earnings in the year in which the irrevocable notice of retirement is submitted. Once the employee submits an irrevocable notice of retirement, in no case will the employee's TRS creditable earnings increase exceed six percent (6%) of the previous year.

If, after submitting an irrevocable notice of retirement by April 1st, the employee resigns from, or is dismissed from activities covered in Appendix B of this Agreement, the retirement incentive for that employee will be recalculated accordingly.

To be eligible, an employee must submit an irrevocable letter of resignation by April 1st, which must be accompanied by a (TRS) member requested "Personal Statement of Benefits" and a "Benefit Estimate" confirmation of total years of service. In addition, an employee is considered to be eligible for the retirement incentive by meeting one of the following conditions:

- a. The employee becomes fifty-five (55) years of age by July 1 of a school year and has five years TRS creditable service.

- b. The employee qualifies to receive a full pension annuity by reason of being at least fifty-five (55) years of age and having attained thirty-five (35) years of upgraded TRS creditable service.

During the length of this agreement, any employee who has submitted notice of retirement will continue to receive the 6% retirement incentive outlined above. TRS contributions for these employees, however, will not be paid by the Board (to avoid penalties) and will be deducted from the employee's pay and submitted to TRS on the employee's behalf as has been done in previous years.

V. **Co-Curricular Compensation** – Salary based on attached Appendix B.

VI. **Overload & Sub-Supervision** – Any teacher who elects to teach an additional academic class during the teacher's planning period or serve as a substitute during planning periods will be paid on the following formula:

- a. Overloads.
 - Teachers teaching an overload, as determined by building norms, but still maintaining some planning time will be negotiated with individually based on the formula below and reviewed and adjusted quarterly if needed. This includes, but is not limited to special education staff caseload.
 - Base/1440 hours =
 - \$28.14 per hour FY24 and FY25
- b. Substitute During Prep Period.
 - \$18.00/Hour.

CONTRACT CONDITIONS

- I. The contract year for the teacher shall be 180 days for the length of this agreement.
- II. Sick leave based on years of service shall be granted to each employee. Sick leave may accumulate to as many as a teacher does not use. TRS gives credit for retirement up to 340 unused sick days. Any accumulated sick leave exceeding 340 days will be reimbursed at \$20 per day upon the retirement of the individual up to a maximum of \$1500. A sick day is defined as the equivalent of the daily equivalent of full-time employment that the individual is contracted for.
Sick leave:
 - 0-30 years = 15 sick days/year
 - 31+ years = 20 sick days/year

Maternity/Adoption leave may not exceed 30 days for natural birth, and 40 days in the case of caesarian section. If a birth or an adoption of a child occurs six weeks or more (eight caesarian section) before the first day of school, the employee is not eligible for paid maternity/adoption leave. Extenuating situations or complications will be handled case by case in consultation with the administration.

- III. Sick leave shall be defined as personal illness, mental or behavioral health complications, required surgery, quarantine at home, birth, adoption, or serious illness of the staff member or his/her immediate family or household. Sick leave may be used in ½ day increments when necessary. A doctor's note may be required after an absence of 3 days or in the case of excessive absenteeism.

Sick leave may be used for bereavement under the following guidelines:

- a. There is no specified limit for use of sick leave for bereavement in the event of the death of a member of the immediate family or household.
- b. Up to five (5) days of sick leave per year may be utilized in the event of the death of extended family or friends.

- IV. Three (3) personal days are granted per contract year for full time employees.
- a. Requests must be presented to the building principal at least two (2) days prior to the date of the requested authorized absence.
 - b. Personal days requested for any day immediately preceding or following a legal holiday or any other single day for which schools are closed pursuant to action of the Board of Education may not be granted in the event of a shortage of substitute teachers. Requests for these dates should be submitted at least one week prior to the date of the requested absence.
 - c. Personal days requested that immediately precede or follow school breaks (Thanksgiving Break, Winter Break, Spring Break) will not be granted. Compelling personal or family reasons will be considered by the administration provided a request is given to both the building principal and superintendent at least two weeks prior to the date of the requested absence.
 - d. No personal days will be authorized during the last two weeks of the school year.
 - e. Personal leave not used in a contract year shall be added to accumulated sick leave.

- V. Leaves of Absence: All leaves will be subject to the guidelines set forth in the Family and Medical Leave Act (FMLA) and outlined in Policy 5:185.

- VI. Teachers that receive university tuition waivers may use them as they wish.

- VII. Teachers may be assigned, as equally as possible by the administration, additional duties congruent with building level needs and considered part of the teaching profession. Duties outside of the normal school day (that are

considered additional) will be compensated and include, but are not limited to: coaching, sponsorships, pep bus supervision, ticket-taking, etc.

- VIII. **Sharing of Days:** In the case of a serious, extended illness by a staff member, additional sick days may be awarded to that individual. *This option does not cover elective surgery or normal pregnancy. If complications develop, the teacher could request a review.* The following criteria apply:
- a. Staff donate sufficient days to cover additional days needed. A request for contributions will be made annually and whenever the accumulated bank of sick days is depleted to less than 10 days.
 - b. All sick leave, personal leave, and one (1) dock day must be used before being granted additional sick leave days from the share bank.
 - c. If there is a question of a qualifying illness or days granted, a review committee would be convened consisting of the superintendent, two administrators, and two teachers.

HEALTH INSURANCE

- I. The district health plan coverage will be designed, reviewed, and adjusted as needed by a committee of staff and the Superintendent subject to approval by the Board of Education.
- II. The Board will contribute up to \$625 monthly (\$7,500 annually) toward the **single premium** cost for eligible full-time employees enrolled in the District's health insurance plan for the length of this agreement. A full-time employee is defined as an employee working a minimum of 30 hours per week.
- III. The Board will contribute up to \$958.33 monthly (\$11,500 annually) toward the **Employee+Spouse and Employee+Children premium** cost for eligible full-time employees enrolled in the District's health insurance plan for the length of this agreement. A full-time employee is defined as an employee working a minimum of 30 hours per week.
- IV. The Board will contribute up to \$1000.00 monthly (\$12,000 annually) toward the cost of **family premium** for eligible full-time employees enrolled in the District's health insurance plan for the length of this agreement. A full-time employee is defined as an employee working a minimum of 30 hours per week.
- V. Spouses employed by the district can each receive the amount of the Board's contribution toward the single premium (\$7,500 each; total of \$15,000 annually) to apply toward the family premium if they choose.
- VI. The Board will offer multiple plan options, including traditional and high deductible options for all eligible full-time employees. Each employee will have the option to choose which plan best fits their personal needs. For those employees choosing the HDHP (HSA eligible) plan option, the board agrees to contribute for eligible employees the difference between the board "cap" and the premium amount for the HDHP plan when applicable. This difference will be paid directly to an eligible employee's Health Savings Account established through the Tremont Community Bank.
- VII. As a way to control the escalating cost of health care, the Board will continue to solicit other health care options for District employees that include, but are not limited to, membership in a health insurance cooperative. Decisions to change providers must be mutual between the negotiating team and Board.
- VIII. Shelter Medical Cost – the Board of Education shall provide for its employees a plan to shelter medical and childcare costs (if applicable).

Professional Training

- I. Graduate credit tuition costs for a staff member's *first* Master's Degree shall be reimbursed at a rate not to exceed \$385 per credit hour.
 - a. For budgeting purposes, requests must be submitted to the superintendent.
 - b. A second Master's Degree will be reimbursed at a rate not to exceed \$120 per credit hour with administrative approval and the degree job related.
 - c. The Board, in collaboration with the professional staff, will provide opportunities through local staff development for continued growth and salary advancement after a Master's Degree is attained.
 - d. If a teacher enrolls in summer coursework, the teacher must return to District #702 the following school year before reimbursement will be issued.
 - e. No more than nine (9) credit hours in one calendar year will be approved for tuition reimbursement; however, there is no limit to the number of hours that will be accepted for salary advancement.
- II. Eligibility shall be limited to those teachers who provide evidence of enrollment in one of the following:
 - a. Coursework in an approved Master's Degree program at an accredited institution.
 - b. Coursework beyond a Master's Degree in a job-related discipline at an accredited institution.

Master's Degree programs not in job-related disciplines shall not be eligible for tuition reimbursement.
- III. Salary advancement levels will be BA+9, BA+18, BA+27, MA, MA+15, MA+30, MA+45 for 2023-24 and then be reflected as such in the salary schedule for 2024-25 (Appendix A).
- IV. For 2023-24, a salary increase of \$750 will be paid for each designated level advanced beyond BA with the exception of a \$1,000 increase paid when moving from BA+27 to MA. Each designated level advanced beyond MA will pay a salary increase of \$1,000. In addition, a salary increase of \$1000 will be awarded any certified staff member earning National Board Certification.

Beginning in 2024-25, levels of educational advancement will be reflected in the salary schedule (Appendix A). Those earning National Board Certification will receive a one-time \$2,000 award.
- V. All hours of credit beyond the Master's Degree must be taken AFTER the degree is granted. However, the Superintendent may grant hours beyond the Master's+00 if the program required additional hours beyond the normal Master's program (30-35 hours). An official transcript will be required to verify the additional hours required prior to any new designation of salary.

- VI. Credits that might increase a teacher's salary must be filed in transcript form on or before August 31st to be reflected in the contracted increase for the current school year (education increase earned before Aug 31 establishes new salary, and any contractual increase added from there). Increases after September 1 through August 31 will not affect the contracted increase but will be granted per paragraph IV above once the transcript is received in the Unit Office.
- VII. Training and/or course work that is completed for the purpose of satisfying recertification and/or additional certification will not be reimbursed, unless attendance at said training has been requested by the administration.
- VIII. Staff members accepting District reimbursement for graduate work must agree to work three (3) years after receiving each payment or may be asked to repay the District's investment in 1/3 increments for each year they fall short. Life changing events, like the death of an immediate family member or spouse job transfer will be taken into account.
- IX. The educational reimbursement provisions outlined in this contract will go in effect immediately for those staff members already enrolled in their first Master's program.
- X. All tuition waivers awarded for hosting clinical students and/or student-teachers that are not accepted by the teacher to whom they are intended will be provided to the teacher negotiating committee for distribution to the appropriate staff members in a manner to be determined by the committee.
