Dear HomeTech Parents/Guardians:

We wanted to let you know about an exciting opportunity for parents. We currently have one parent opening on our Board of Directors. This is an opportunity to help shape the future of HomeTech. I would like to invite any parent who may be interested in serving on our Board to complete a Statement of Interest form, which has been included in this link. The form can also be found on our website or picked up in our office. Once completed, please return it to Danielle in the office by Friday, September 22nd.

Once candidates are identified, ballots will be available on Monday, September 25th. Completed ballots must be received in our office by 2:00 p.m. on Friday, September 29th. Parents should vote for the candidate of their choice. The parent who is elected will be seated on our Board during the October board meeting.

If you have any questions, please call Danielle at 872-1171.

Sincerely,

A handwritten signature in blue ink that reads "Danielle Reinolds". The signature is fluid and cursive, with the first and last names being more prominent.
