

Pine Tree Primary

Dear Potential Participant:

We know that PTA builds community through supporting our educators and students. And we know there is no comm**YOU**nity with **YOU**—our members, our community, our supporters. Please consider joining our PTA and/or supporting us through donations.

Pine Tree Primary has struggled to get our PTA up and running the last few years and we want you to be a part of making that change for our campus.

Please join us in our efforts to make Pine Tree Primary all that it can be and more. We are in the process of planning many events for this school year but we need your help to make it happen.

Here are some ideas that the board has been discussing:

- Family picnic event
- Purchasing student materials for the classroom
- Teacher luncheons/breakfast
- And more!

Help us make this the best year for our students and teachers!
