4th Quarter is Here!!

-Our final quarter of the year is upon us! We hope to make this a strong finish to our 23-24 school year. Our last student attendance day will be Tues. May 28th. Report cards will be emailed out on Thurs. May 30th. This is a change from what was on our original district calendar due to using snow days.

-As warmer weather approaches, we are seeing an increase in behavioral issues at school and on the buses. We truly appreciate your commitment to education by reinforcing good academic and social skills with your child.

Next Year

I am excited to announce that I will be changing roles next year as the district's Special Education Administrator/ Curriculum Director. In this role I will supervise and provide support throughout the special education department. Additionally, as Curriculum Director I will work with teachers to provide assistance and resources as the district will be taking on a comprehensive curriculum review and mapping process next school year.
