November Students of the Month

by Lucas Layton

The November students of the month have been selected by a vote of the faculty. The middle school student is Maddison Kagy, and the high school students are Naomi Collins and Draven Dillinger.

Middle School

Maddison Kagy is in 7th grade. Her parents are Deanna and Will Kagy. Her favorite subject is Spanish because she likes learning about new languages. She is on the Quiz Bowl, softball, basketball, and track teams. Maddison looks forward to taking Sports Medicine in high school. Her future goals are to go to OSU for the vet program and eventually start her own veterinary clinic.

High School

Naomi Collins is a sophomore. Her parents are Andy and Becca Collins. Naomi's favorite subjects are band and art because they let her express herself. She's a part of Art Club, Quiz Bowl, and Speech and Debate. Three words that describe Naomi

L-r Maddison Kagy, Draven Dillinger and Naomi Collins

are lively, strange, and creative. Her advice to underclassmen is to take your time and don't stress. If she could travel anywhere in the world, she would go to Japan. In 10 years, she sees herself starting her own art career.

be rich and have a drifting race.

Draven Dillinger is a senior. He is the son of Alisha and Douglas Dillinger. Draven's favorite subject is Math because it's easy. He is a member of band. In his free time he likes to play games, watch videos, and play instruments. His advice to underclassmen is to be nice to people. Draven's future goal is to

December Students of the Month

by Lucas Layton

L-r: Kade Burgess, Hadley Chenoweth and Lucas Layton

The December students of the month have been selected by a vote of the faculty. The middle school student is Hadley Chenoweth, and the high school students are Kade Burgess and Lucas Layton.

Middle School

Hadley Chenoweth is in 7th grade. Her parents are Chris and Ashley Chenoweth. Hadley's favorite subject is Tech Ed because it's the most fun. She is involved in Quiz Bowl, Gifted and Talented, basketball, and track. She looks forward to taking Tech Ed in high school.

Her future goal is to be rich.

High School

Kade Burgess is a sophomore. He is the son of Shane and Heather Burgess. His favorite subject is Tech Ed because they get to build and develop problem solving skills that will help him in the real world. Kade is a part of FFA, TSA, STUCO, Gifted and Talented, NHS, and Interact. Three words that describe him are determined, accomplished, and diligent. Kade's advice to underclassmen is to turn in homework and study. If

he could travel anywhere in the world, he would go to Yellowstone National Park. In 10 years, he sees himself with a stable job with at least a Bachelor's Degree and owning a lake house where he would spend the summer.

Lucas Layton is a senior and is the son of Rowdy and Tiffany Layton. His favorite subject in school is Algebra 3 because they solved angles and trajectories of projectiles this semester. Lucas is involved in football, basketball, baseball, FFA, FCA, and Quiz Bowl. In his free time, Lucas likes to listen to Doja Cat, Ice Spice, Carry O' Neal in Fortnite, and engage in various acts of tomfoolery. Lucas' biggest inspiration is Coach Cottrell. His future plans are to become a Grand Master in Solitaire and get a degree in architecture.

Elementary November Students of the Month

By Phoenix Randolph

The Elementary students of the month are selected by their classroom teachers.

Pre-K

Emmitt Chenoweth is the son of Asa and Chelsea Chenoweth. His favorite thing to learn about in school is science because it is fun. His favorite thing to do at recess is to go down the slide. Emmitt's favorite food is pizza. His favorite thing to do with his family is hunting, and he wants to be a police officer when he grows up.

Kindergarten

Rhett Dewitt is the son of Lucas and Kendall Dewitt. His favorite thing to learn about in school is computers. He likes to play on the monkey bars at recess, and his favorite food to eat at lunch is nachos. Rhett enjoys playing outside with his family most, and wants to be a cop when he grows up.

1st Grade

Bryan Zacarias is the son of Jouquin and Maria Zacarias. He enjoys homework and his favorite thing to do at recess is to play with friends. Bryan's favorite food to eat at lunch is chicken nuggets, and he enjoys watching movies with his family. Bryan wants to be a firefighter when he grows up.

2nd Grade

Ruger Miller is the son of Aimee and Caleb Miller. His favorite thing to learn about in school is Math. Ruger's favorite thing to do at recess

is to play tag. His favorite food to eat at lunch is macaroni and cheese. Ruger enjoys fishing with his family and wants to be a cowboy when he grows up.

3rd Grade

Ryan Gabb is the son of Jamee and Ashley Mooney. His favorite thing to learn about in school is Math. At recess, he likes to play with his friends. At lunch, his favorite food to eat is pizza. Ryan likes going to Bernese State Park with his family, and he wants to be a cop when he grows up.

4th Grade

Tacey Gleaves is the daughter of Chrystal and Ryan Gleaves. Her favorite thing to learn about in school is Math. Playing with friends is her favorite thing to do at recess. Tacey's favorite food to eat at lunch is chicken alfredo. She enjoys watching TV with her family. Tacey wants to be a Pre-K teacher when she grows up.

5th Grade

Crosslyn Mooney is the daughter of B.J. and Brian Mooney. Her favorite thing to do in school is to read. Playing on the swings is her favorite thing to do at recess. Her favorite thing to eat is chicken on the bone. Crosslyn enjoys riding horses with her family and wants to be a photographer when she grows up.

6th Grade

James Kelley is the son of Dustin and Catrina Kelley. ELA is his favorite thing to learn about in school because he enjoys learning about different forms of sentences. His favorite thing about fall is hunting. James' favorite food is mac and cheese. If he could have any animal as a pet, he would have a water buffalo. James wants to be an NBA basketball player when he grows up.
