# **Replat**

## **Procedure & Checklist**

Before completing an application for a replat, applicants are encouraged to meet with a member of the planning staff to discuss the application. Often, the staff can help the applicant assess the request and provide the applicant with some useful information concerning the replat.

### **Applicant's Responsibility**

It is the applicant's responsibility to ensure that all necessary procedures are followed in a satisfactory and timely manner and to verify the accuracy and completeness of all information. If significant omissions and/or errors are discovered during the review process, the application may be rejected until sufficient information is supplied.

### **Fee**

A fee of \$250.00 (payable to the City of Springdale and submitted to the City Clerk) is required at time of submission to cover administrative costs.

### **Application Requirements**

A replat is the process of changing a previously approved and platted property.

Replat applications are to be submitted to the Director of the Planning and Community Development Division in accordance with Chapter 112. Repat applications must be reviewed by the Planning Commission. A replat application shall include the following:

- ☐ Complete application.
- ☐ At least three (3) copies and a digital copy of the replat, including the drainage report, and any other information as required.
- ☐ Certified list of adjacent property owners by a licensed abstractor or licensed land surveyor within the past sixty (60) days. Notice to all adjacent property owners must be sent by certified mail, return receipt requested at least ten (10) days prior to the Planning Commission meeting.

### **Application Processing Procedure**

After submission the project will go through a review and approval process. No work shall begin without the prior approval of the Director of the Planning and Community Development Division.

1. Staff Review: A technical review is required for a replat. Planning staff will produce a technical review for the project.
2. Approval: The Planning Commission will conduct a public meeting to review said project within sixty (60) days after acceptance for review of the replat and will either grant the applicant approval, approval with conditions, disapproval, or tabling.
3. City Council: After the replat has been approved by the City Council the applicant shall obtain the required signatures from the Planning Commission and city officials.
4. If approved, the Planning Office requires a minimum of five (5) hard copies including the owner's notarized signature.

### **PLEASE NOTE:**

Noncompliance with the above may cause the application to be withheld and not considered for review.
