

Volume XXVIII

Lo-Ma Leader

December 2023/January 2024

Dates to Remember

December 7th

- K-4 Christmas Concert @ 7 pm

December 14th

- HS Christmas Concert @ 7 pm

December 18th

- 5-8 Christmas Concert @ 7 pm

December 20th

- JH/HS Semester Tests
Periods 1,2,6 & 7

December 21st

- JH/HS Semester Tests
Periods 3, 4, 5 & 8

December 22nd

- Classes run from 8:15-11:30
- Dismissal @ 11:30
- JH/HS Semester Test—Make-Up Day

December 25th-January 5th

- No School

January 4th-January 5th

- Staff PD Days

January 18th

- Blood Drive—10 am-4 pm in
Auditorium

**Reminder... Every Friday school will
begin at 9:30 so staff may attend
professional development.**

Superintendent Notes

Dear Parents and Guardians,

Holiday Greetings With the holidays rapidly approaching, it is a time to reflect on what we are most thankful for. As I reflect on the first part of the school year, I am thankful for the opportunity to work with our school board, staff, families, and students. As we work together, we create an exciting future for our young people. I wish you a Merry Christmas and a Happy New Year!

School Board Election If you get the opportunity, please congratulate Julie Witte, Travis Kuhlman, and Derrick Methner for being either re-elected or elected to our school board. Julie was re-elected with Travis and Derrick becoming our newest members. They will join Brian Koenig and Bri Niedermeyer on the Logan-Magnolia School Board. In addition, please thank Dan Cohrs for his 20+ years on the school board. Being on a school board is challenging and rewarding at the same time and Dan represented our school extremely well.

Contact State Representatives Concerning School Issues During the course of the school year our state legislators pass laws that will affect your children's education directly. From the amount of funds received from the state to run our schools to the banning of books from our libraries, the decisions they make have consequences that can be either positive or negative depending on your point of view. From my past experience with our legislators, I have found that they are willing to listen to your point of view. In addition, they want people to contact them before they cast their votes. Your opinion matters to them. Please reach out to either or both legislators with your opinions. Below is the contact information for both of our legislators:

Mark Costello

Legislative Email: mark.costello@legis.iowa.gov
Capitol Phone: 515.281.3371

Matt Windschitl

Legislative Email: matt.windschitl@legis.iowa.gov
Capitol Phone: 515.281.3221

Building Project Logan-Magnolia CSD will be going through the bid process in December for our construction project. As you may recall, the school board decided that the bids came in too high the first time around and are going to accept bids with the hope that the second round of bids will be lower. Genesis, our Construction Manager on this project, has been in contact with various contractors in the area asking them to bid on the project. If you are interested in bidding on this project or know someone who is interested in bidding on the project, have them contact me at tridder@lomaschools.org or at 712 644-2250.

A Message from Mrs. Kiger K-6 Elementary Principal

Logan Magnolia Elementary is thriving this fall thanks to the efforts of our community, staff and students. As the year 2023 comes to an end, let's take a moment to reflect on the greatness of the first four months of the year.

- Preschool enrollment is strong with over 50 students in 4 year old preschool.
- During the fall assessment period, 89% of elementary students were proficient on FAST math
- Implementation of the new literacy program is challenging students and increasing exposure to science and social studies content
- Our first FUN Run and outdoor family night was a success
- Our preschool, kindergarten, and first grade staff are participating in Early Childhood LETRS training to continue to develop their knowledge about literacy acquisition for our youngest learners
- Over 60 students in grades 4-6 are enrolled in the elementary musical
- Kindness has been observed in many settings

What can you expect in 2024?

- Art volunteers continue to provide extended learning opportunities-let us know if you want to help
- Math and literacy instruction will be monitored for effectiveness and we'll begin to look at what systemic changes might need to be made to more accurately reflect that work (report cards)
- We'll analyze our science and social studies standards to determine gaps in experiences
- New experiences will be explored as learning opportunities for our students
- Spring Family night will bring everyone together for fun and learning

Mark your calendar for our upcoming concerts. Kindergarten thru fourth grade will be entertaining us on December 7. We'll get to hear the band and choir in grades 5-8 on December 18.

Need help with coats, hats, gloves and other winter gear? Contact Annie Coberly at the school. acoberly@lomaschools.org or 712-644-2168

*Please remember to send coats, gloves, hats and snow pants labeled with your child's name. Many recesses are before noon and it can be quite chilly on the north side of the building.

Please remember to use the circle drive as a quick drop off before school (adults should not leave the vehicle) and **after 2:50** there should be no one parked in the circle drive. It is a safety risk for families to park in there at dismissal. Thanks for keeping all of our kids safe!

Happy Holidays from all of us at the elementary!

The cold weather is starting to settle in and there are lots of things to be thankful for and excited about at Logan Magnolia. As many of you know, there are a plethora of activities for you to enjoy, numerous sporting events to attend, and the winter concert is just around the corner. The school calendar does not slow down for any long stretch of the year. The winter season is no exception. We are blessed to be a school that has such a high percentage of students who are involved in activities and a community who is extremely supportive of the students and staff.

As the end of the semester draws near, there are a few things to keep in mind. First, semester tests will be on December 20th and 21st. Additional details will be shared at a later date. In the meantime please help your students by encouraging and supporting them through this potentially stressful time of year. The end of the semester can be very busy and the more they can do NOW will help ensure they are ready for the assessments at the end of the semester. Also, please do not hesitate to talk with your students about what is happening in their classes or have them contact teachers with any questions regarding expectations for the end of the semester.

Secondly, this is a friendly reminder to ensure your JMC contacts are updated. As the potential for "snow days" increases it is important that we have your proper contact information on JMC. If you are unsure how to do this, please contact the high school office. Any snow day announcements will be made via JMC messenger and on social media.

Additionally, please try to get out and enjoy a few of the numerous events in our district over the next couple of months. Here are some, but by no means all, of the upcoming events:

- December 4th, 5th, and 8th - Home BB double headers
- Thursday, December 14 - HS Winter Concert
- Monday, December 18 - 5-8 Winter Concert
- Saturday, January 6 - LoMa Girls Wrestling Tournament
- Tuesday, January 9 - First Home Wrestling Dual

Please check out the Logan Magnolia Bound Website and activities calendar for many more activities/events to enjoy. As is standard practice at LoMa, the students and staff/coaches are working hard to put together a great winter season.

Lastly, I would like to publicly thank our teachers, paras, and other support staff who tirelessly work to ensure our students are getting a great education. There is not a day that goes by where I do not see, and appreciate, the efforts of our staff. Please take the opportunity this semester to send an encouraging message or share a kind word with the staff. One of the best parts about the Logan and Magnolia communities is the support they relentlessly provide for the school. A HUGE thank you to all of you!

Jacob Hedger
7-12 Principal

College Savings
Iowa - A 529 Plan

Community Leader Guide

Give the children in your
community the opportunity for
education savings success

COLLEGE SAVINGS

Iowa
529 PLAN

They grow up fast.
Plan now for
their tomorrow.

A simple-to-use plan with a powerful result

Thank you for your interest in College Savings Iowa. The 529 plan offers a practical way for families to save for K-12 or higher education, including 2- and 4-year colleges, trade schools, apprenticeship programs and more.

As a leader in the community, you have a unique opportunity to tell people about the benefits of College Savings Iowa.

NO MINIMUM INVESTMENT. Savers can open an account and make contributions as little as \$25 (\$15 minimum for electronic contributions or payroll direct deposit) whenever they like.

TAX ADVANTAGES. There are no federal or Iowa state income taxes on investment earnings, or on withdrawals used for qualified education expenses.* Plus, if a participant pays Iowa taxes, they can deduct up to \$3,785 in contributions per beneficiary account from their 2023 Iowa income taxes.**

CONVENIENCE. It's easy to open an account online at CollegeSavingsIowa.com. Then, participants can log on to view statements, make contributions and obtain performance information. They can also make contributions and check on the status of their account using the READYSAVE 529 app.

Because you're spreading the word about the benefits of College Savings Iowa, more families in your community will have the information and resources they need to save for education. We appreciate your efforts and are happy to offer a variety of free services to support you.

To learn more about how we can help you educate families about saving for education, call an education savings specialist at (888) 672-9116, business days from 7 a.m. to 8 p.m. Central Time, or visit CollegeSavingsIowa.com.

Sincerely,

Roby Smith
Iowa State Treasurer

*Earnings on non-qualified withdrawals may be subject to federal income tax and a 10% federal penalty tax, as well as state income taxes. The availability of tax or other benefits may be contingent on meeting other requirements.

**Adjusted annually for inflation. If withdrawals are not qualified, the deductions must be added back to Iowa taxable income.

Make
the most
of our free
services and
support

Partner with us for access to
information, workshops and
financial experts to help you
educate families about saving
for education.

**WORK WITH A DEDICATED
RELATIONSHIP MANAGER.**

A relationship manager will be available
to conduct workshops, answer
questions about College Savings Iowa
and provide educational literature.

HOST A WORKSHOP.

Team up with a relationship manager to
host a workshop in your community.
The session will cover education costs
and how College Savings Iowa can help
people save. We'll also provide you with
College Savings Iowa posters to
advertise the event.

GET EDUCATIONAL MATERIALS.
