Getting Started

The following instructions will guide you on how to set up your guardian account and view your student's class information all in one place.

Step-by-Step Instructions:

1. Go to id.edurooms.com/signup

2. Enter the Magic Code to link to your student

   Magic Code

   Your student's magic code will be here.

3. Fill out the form to finish setting up your account
STEP 1

Follow the directions on the invitation that was emailed to you. You can click on the QR code to go to the website.
STEP 2

Enter your student’s magic code.

STEP 3

Complete the form with your information. If you are a DCSD employee you can not use your district email.
STEP 5
Congratulations you have set up your account.
Now you can sign into the Duchesne County SD app.

Inside your Edurooms account

If English is not your primary language you change it here.

Here you can change your password.
This is where you turn on notifications. If want messages notifications you need to turn them on. To do this select messages and then move the slider to on.

This is where you will find the students linked to your account.
