## **Letter from the SCMS Administration**

Dear Titan Families,

We finished the 2023-2024 school year on June 6, 2024. During the last few weeks we realized we have so much to celebrate as we reflect on this year!

April, May, and June were very busy months for staff and students. In April, we completed our SBAC testing and met with students to choose their elective courses for the 22-23 school year. We are anxiously awaiting our SBAC test results and will send them out to parents as soon as possible. MAP testing was completed in May. In August, we will communicate the results of our School Performance Plan and encourage families to join us in presentations where we share details about the previous school year and make plans for the coming school year.

The Spring choir performance took place on May 28. SCMS Band and String students performed on May 29. The students and Mr. and Mrs. Hansen did an amazing job highlighting the talents of our students and their musical growth this year. The PTA hosted the "Glow into Summer" Dance for 6<sup>th</sup>-8<sup>th</sup> graders on May 9. FBLA hosted a Walk-A-Thon on March 16 to fundraise for the March of Dimes. 6<sup>th</sup> grade students wrapped up the year with the annual Renaissance Fair and our traditional 8<sup>th</sup> Grade Promotion ceremony and Social was on May 31. A huge shout out to all of those families, businesses, and community members who donated to the 8<sup>th</sup> Grade Social. Thank you for making it a special event for our students. We honored our scholars with their End of Year success ceremonies on June 3. Thank you for attending and celebrating academic successes with us.

In August, we will host Open House days and communicate with you about the beginning of the school year. The yearly calendar can be accessed on the ECSD website under the Parents tab. Please download the Elko County School District App, watch our website, or follow our Facebook at "Spring Creek Middle School Announcements" for information about events taking place in August. As we wrap up this year, we want to extend a special congratulations to our 8<sup>th</sup> graders as they will be super successful in high school!

Please enjoy a wonderful, safe, and relaxing summer break! Our next Titan Newsletter will be shared before school starts in August. Thank you for your continued support! We will see you in August!

Your principal- Salli McDermott

### Amateur Radio Class

In the Amateur Radio class, also known as the Ham Radio Class, we learn a lot of stuff that is very important. We learn all the sciences and geography and learn about the radio waves and the frequencies. There is even some math involved. We also learn Morse Code, which is a language made up of short and long beeps, and learn about how different countries have different call signs. A call sign is what we use to identify ourselves. Everyone has a different call sign. We also learn Q-codes, which are a couple of letters that stand for something, like QTH stands for location. We also learn the phonetic alphabet which is really fun. We also learn a lot of survival skills, because Radio is mostly used for emergency situations and services because when the phones go down, then the radio still works. We are doing a contest called the School Club Roundup and we make as many contacts as we can with schools and individuals and the more contacts and points we have the higher up we are on the leaderboard. Last year we got twelfth with 11 contacts, but this year we improved and had 38 contacts!

Ham Radio is very important when it comes to emergency transmissions and emergency situations. Radio is the only way to communicate with everyone if the phone lines are down. We learn about what is supposed to be in a bug-out-bag and what we should do in an emergency. The radios can also be charged or hooked up to a car battery to use if the power goes out. We are also taught survival skills in class as well, which could definitely come in handy if we need it.

Radio is also very fun to use and learn about. You can make contacts all over the world and it is very amazing to know morse code and the phonetic alphabet. It can also be extremely difficult if you don't want to do it, so if you're not interested then you shouldn't try it out. People who do not want to learn will not learn and it will be extremely boring and they will not be very interested. No one wants to waste time on something they don't love, but if you do like radios and how wavelengths work and how the frequencies work and what you can do with a radio then you should definitely try it out for yourself and enjoy it. Radio is just so fun and it can be a blast to do things with. Skills we learn in this class can also be used for a long time, and can help us to live when an emergency comes or even when we would like to talk to the rest of the world. It can be very fun and exciting to talk to places we have never been to before.

**-Saydee Ballenger, KK7JNT**

The Elko Amateur Radio Club ran a simulated emergency test during the Great Shakeout drill on October 19th. An emergency net was opened on the local repeater frequency. Eighteen operators checked into the net prepared to provide information from all over the area. A second net was opened on 40 meters (for longer range communications) from the middle school and Damon Tilger, KK7GWC, served as net control. Additional drills and activities are planned to increase the readiness of the local area for any emergencies that might arise.

## FROM THE HEALTH OFFICE

IMMUNIZATION REQUIREMENTS FOR  
INCOMING 7<sup>TH</sup> GRADERS FOR THE 2024-25 SCHOOL YEAR

Dear Parents or Guardians:

Immunize Nevada, the Division of Public and Behavioral Health and Elko County School District would like to remind you to schedule required vaccinations for your son or daughter entering 7th grade.

According to Nevada State Law, NRS 392.435 & NRS 392.443, the following vaccinations are **required prior to the start of your son or daughter's 7th grade school year.**

- **MCV4** (Quadrivalent meningococcal conjugate vaccine); which provides protection against bacteria causing meningococcal disease. Meningococcal meningitis is a serious illness that can lead to death in as little as 48 hours.
- **Tdap** (tetanus-diphtheria-acellular pertussis); which is a booster vaccine to protect against tetanus, diphtheria and pertussis (whooping cough).

A list of local providers that offer vaccines is included.

Don't wait until the last minute! We encourage you to schedule your child's appointment today to ensure that they are up to date on required vaccines prior to entering 7th grade. Once your child has had the required immunizations, please provide a copy of the shot record to your child's School Health Office. **Students that are missing immunizations will not be allowed to attend school in the fall and will not receive a schedule until proof of immunizations are provided.** Thank you for your prompt attention to this matter.

The exact language of the new vaccination requirement may be found at: <http://www.leg.state.nv.us/Register/2016Register/R052-16A.pdf>

Please see next page for Immunization Providers in Elko.

February 27, 2024

Dear Parents/Guardians,

We hope this message finds you well. We are writing to inform you of an important change regarding meal services for the upcoming academic year, 2024-2025.

Starting next year, meals will no longer be provided free of charge to all students across our district. This change primarily affects schools not qualifying for the Community Eligibility Provision (CEP), which offers free meals to students in low-income areas.

**If your child attends any of the following schools, they will be charged for meals starting next year:** Liberty Peak Elementary, Mountain View Elementary, Spring Creek Elementary, Sage Elementary, Flag View Intermediate School, Carlin Combined, Wells Combined, Jackpot Combined, Adobe Middle School, Spring Creek Middle School, Spring Creek High School, and Elko High School.

To prepare for this change, please consider filling out a [Free and Reduced Meal Application](#) if you believe you qualify based on household income. The application can be filled out online at [ECSDNV.net](http://ECSDNV.net). An approved application guarantees free meals for the first 30 days of the 2024-2025 school year. This allows processing time, as 24-25 school year applications will be distributed during the first week of school. Parents will need to reapply for continued benefits after this initial period.

Additional schools may become eligible for the CEP program, potentially changing the list of affected schools. However, applying now ensures you'll benefit from free meals for the initial 30 days, regardless of future adjustments.

We understand the importance of providing nutritious meals for our students and remain committed to supporting families in accessing meal assistance programs.

Thank you for your attention to this matter. For questions or assistance, please contact Nutrition Services Coordinator Veronica Cervantes at 775-738-1456. A direct link to the Free and Reduced Meal Application is available here: <https://www.ecsdnv.net/page/nutrition-services-department>.

Thank you,

27 de febrero de 2024

Estimados padres/tutores,

Esperamos que este mensaje le encuentre bien. Le escribimos para informarle de un cambio importante con respecto a los servicios de alimentación para el próximo año escolar, 2024-2025.

A partir del próximo año, las comidas ya no se proporcionarán de forma gratuita a todos los estudiantes de nuestro distrito. Este cambio afecta principalmente a las escuelas que no califican para la Disposición de Elegibilidad Comunitaria (CEP), que ofrece comidas gratis para estudiantes en áreas de bajos ingresos.

Si su estudiante asiste a cualquiera de las siguientes escuelas, se le cobrarán las comidas a partir del próximo año: Liberty Peak ES, Mountain View ES, Spring Creek ES, Sage ES, Flag View IS, Carlin Combined, Wells Combined, Jackpot Combined, Adobe MS, Spring Creek MS, Spring Creek HS y Elko HS.

Para prepararse para este cambio, considere completar una solicitud de comidas gratis o a precio reducido si Ud. cree que califique según los ingresos del hogar. La solicitud se puede completar en línea en [ecsdnv.net](https://www.ecsdnv.net). Una aplicación aprobada garantiza comidas gratuitas durante los primeros 30 días del año escolar 2024-2025. Esto permite tiempo para procesar la siguiente aplicación, ya que las solicitudes del año escolar 24-25 se distribuirán durante la primera semana de clases. Los padres necesitarán volver a solicitar beneficios continuos después de este período inicial.

Es posible que escuelas adicionales sean elegibles para el programa CEP, lo que podría cambiar la lista de escuelas afectadas. Sin embargo, el presentar la solicitud ahora garantiza que se beneficiará de comidas gratuitas durante los primeros 30 días, independientemente de futuros cambios.

Entendemos la importancia de proporcionar comidas nutritivas a nuestros estudiantes y seguimos comprometidos con apoyar a las familias para que accedan a programas de asistencia alimentaria.

Gracias por su atención a este asunto. Si tiene preguntas o necesita ayuda, comuníquese con la Coordinadora de Servicios de Nutrición, Verónica Cervantes, al 775-738-1456. Un enlace directo a la solicitud de comidas gratis o a precio reducido está disponible aquí: <https://www.ecsdnv.net/page/nutrition-services-department>.

Gracias,

Elko County School District

## SafeVoice

Dear Parents, Grandparents, and Guardians

Introducing you to SafeVoice – for school safety and student well-being

*Welcome to the 2023-24 school year!* As we commence a year of learning, I am truly happy to share with you that students and parents at this school now have access to SafeVoice.

SafeVoice offers a hotline, mobile app, and website to report threats to the safety or well-being of students. SafeVoice was established by the Nevada Department of Education and is operated in partnership with the Nevada Department of Public Safety. Reports are anonymous unless the reporter chooses to share his or her name.

Of course, our hope is that your child will talk directly to you, as well as with us here at school, about their concerns. However, if that is not possible students can use SafeVoice as a way to speak up for their friends, the safety of their school, or themselves. ***We encourage students to take a stand against meanness and bullying and to contribute to creating a positive school climate*** and we think SafeVoice can help them do it. I will appreciate it if you reinforce that message.

**Reports are Completely Confidential.**

The reports submitted are received live 24/7/365 by trained Public Safety Communications Specialists who will gather information, engage emergency responders if necessary, and pass the report on to a team of us here at school so that we may respond, letting students know a friend cared enough about them to share a concern. ***We will notify you according to our school policies and if the report raises a serious concern about your student's well-being.***

The SafeVoice app is available for free in the Apple or Android stores. The reporting system can also be accessed by visiting [www.safevoicenv.org](http://www.safevoicenv.org) or calling 833-216-7233(SAFE).

I thank you for your support of your child in his or her success here at school. Together, we can accomplish great things, and SafeVoice can help.

Principal, Spring Creek Middle School

## SafeVoice-Spanish

Queridos Padres, Abuelos, y Guardianes

Bienvenido de nuevo al 2023-2024 en nuestra escuela! Espero que sus vacaciones hayan sido felices y llenas de tiempo familiar y diversión. Nosotros aquí en la escuela estamos comprometidos a continuar el enfoque en el aprendizaje y el desarrollo positivo de los jóvenes, por lo que estoy realmente feliz de presentarles SafeVoice.

Los estudiantes y sus padres ahora tienen acceso a SafeVoice: una línea directa, una aplicación móvil y un sitio web que se utilizan para denunciar anónimamente amenazas contra la seguridad o el bienestar de los estudiantes. SafeVoice fue establecido por el Departamento de Educación de Nevada y se opera en asociación con el Departamento de Seguridad Pública de Nevada.

Por supuesto, esperamos que su hijo se comunique directamente con usted y con nosotros aquí en la escuela sobre sus preocupaciones. Sin embargo, si usted o nosotros no estamos disponibles, o si los estudiantes desean reportar anónimamente, pueden usar SafeVoice como una forma de defender a sus amigos, la seguridad de su escuela o a ellos mismos. Los estudiantes pueden influir en el clima de su escuela al hablar en contra de la maldad, la intimidación y otras conductas dañinas. Animamos a los estudiantes a asumir responsabilidad para ayudar a crear un clima escolar positivo y creemos que SafeVoice puede ayudarlos a hacerlo. Si anima a su hijo a utilizar SafeVoice para ese fin, se lo agradeceré.

**Los reportes son completamente confidenciales.**

Los profesionales de SafeVoice manejan cada pista para asegurarse de que se han tomado los pasos apropiados para responder mientras se mantiene el anonimato del estudiante que proporcionó el informe.

Los reportes se reciben en vivo las 24 horas del día, los 365 días del año, por personas capacitadas que recopilarán información, contactarán al personal de emergencia si es necesario y pasarán el informe a un equipo de nosotros aquí en la escuela para que podamos responder, dándole saber a los estudiantes que un amigo se preocupó lo suficiente por ellos para compartir una preocupación. Le notificaremos de acuerdo con nuestras pólizas escolares y si las inquietudes planteadas indican una seria preocupación sobre el bienestar de su estudiante.

Algunos ejemplos de inquietudes que pueden ser reportadas usando SafeVoice incluyen:  
Acoso/ Ciberacoso  
Violencia o Armas  
Depresión

Quejas de comportamiento en el autobús escolar  
Pensamientos Suicida  
Negligencia

La aplicación SafeVoice está disponible en las tiendas de Apple o Android gratis. El sistema de reporte también se puede acceder visitando [www.safevoicenv.org](http://www.safevoicenv.org) o llamando al 833-216-SAFE. También puede encontrar muchos recursos para padres y estudiantes en el sitio web. SafeVoice también está disponible para los estudiantes en las computadoras de nuestra escuela.

Le agradezco su colaboración con su hijo(a) en su éxito aquí en la escuela. Juntos, podemos lograr grandes cosas, y SafeVoice puede ayudar.

## Netiquette

## Rules of Behavior on the Internet

The etiquette guidelines that govern behavior when communicating on the Internet have become known as netiquette. Netiquette covers not only rules of behavior during discussions but also guidelines that reflect the unique electronic nature of the medium. Netiquette usually is enforced by fellow users who are quick to point out infractions of netiquette rules.

- **Identify yourself:**
  - Begin messages with a salutation and end them with your name.
  - Use a signature (a footer with your identifying information) at the end of a message.
- **Include a subject line.** Give a descriptive phrase in the subject line of the message header that tells the topic of the message (not just "Hi, there!").
- **Avoid sarcasm.** People who don't know you may misinterpret its meaning.
- **Respect others' privacy.** Do not quote or forward personal email without the original author's permission.
- **Acknowledge and return messages promptly.**
- **Copy with caution.** Don't copy everyone you know on each message.
- **No spam (a.k.a. junk mail).** Don't contribute to worthless information on the Internet by sending or responding to mass postings of chain letters, rumors, etc.
- **Be concise.** Keep messages concise—about one screen, as a rule of thumb.
- **Use appropriate language:**
  - Avoid coarse, rough, or rude language.
  - Observe good grammar and spelling.
- **Use appropriate emoticons (emotion icons) to help convey meaning.** Use "smileys" or punctuation such as :- ) to convey emotions. See website list of emoticons at <http://netlingo.com/smiley.cfm> and <http://www.robelle.com/smugbook/smiley.html>.
- **Use appropriate intensifiers to help convey meaning.**
  - Avoid "flaming" (online "screaming") or sentences typed in all caps.
  - Use asterisks surrounding words to indicate italics used for emphasis (\*at last\*).
  - Use words in brackets, such as (grin), to show a state of mind.
  - Use common acronyms (e.g., LOL for "laugh out loud").
