

# Overton Ray Elementary

## Grading Policy

### 2023-2024

#### **Weight of Assignments:**

Tests, quizzes, and daily assignments are all weighted the same.

#### **Make-up Work:**

The amount of time given to complete make-up work will equal the number of days issued by a student (2 days missed=2 days to complete make-up work). Any work not received by this time will be counted as a zero and the grade may be improved under the “Correct and Return” guidelines (see below).

- Extended time for extended absences will be considered on a case-by-case basis.

#### **Correct and Return:**

Students will have the opportunity to correct any test or assignment.

- For grades below a 70, the student may do corrections with the max score being up to a 70 if completed.
- “Corrections” may be the same assignment or a new assignment that covers the same TEKS/standards.
- Students will be given 3 days, from the day it is returned, to complete the C&R.

#### **For assignments not completed/attempted, a zero will be given.**

- Parent/Guardian will be notified by phone in this instance.
- “Correct and Return” (above) will apply in these instances.

#### **Unit Assessments will be entered into the Skyward Gradebook as a “No Count”**

- These assessments are for the purpose of data collection and are used to drive instruction.
- This allows for parents/guardians to see these results and to contact teachers in regards to questions/concerns.

#### **Grades in Skyward**

- Zeros may be placed in the gradebook for an assignment that is not completed.
- Progress report grades may be below a 50.
- Nine-weeks grades below a 50 will be bumped to a 50.
