Gateway Grading Policy
2023-2024

1. Reporting Procedures
   a. Progress and Report Cards
      i. Course progress is reported every three and six weeks. Course progress includes any current and future courses assigned to students, as well as the semester courses that the student has completed during their enrollment at Gateway.
      ii. Reports are made available in Skyward to students and parents the following week.
      iii. Students are expected to complete at least 10 percent cumulative progress each day.

2. Credit Attainment
   a. Students complete coursework through the Edmentum Apex online learning platform. To receive credit for each semester course, students must achieve an overall grade of at least 70%.
