What is a School-Parent Compact? Revised 08/02/2023

A school-parent compact is a written agreement between teachers and parents. It is a document that clarifies the school-parent relationship in order to reach high academic achievement for all students. We want a partnership between home and school. The school-parent compact will help our school be successful yearly if the compact is effectively implemented. In addition, our school-parent compact will reflect the needs of our school. We will evaluate it regularly and make changes yearly. The objective is to have a strong relationship and continue to strive for school-wide success.
