- If a student group is going to camp as a representative of our school, that group must be accompanied by the activity sponsor or an adult secured by the school who will accept responsibility and be in charge of the group while at camp.
- If the school sponsor or some responsible adult, such as a parent, cannot be obtained to attend the camp with the team, then the team may not go representing the school.
- Required clubs, Student Council, FFA, and FBLA, will meet regularly throughout the year.

ANNOUNCEMENTS

Announcements will be made during school news: All announcements should concern school business or activities and must be submitted in electronic form to Administration or designee for approval.

ASSIGNMENT, TRANSFER, AND WITHDRAWAL

Pupils enrolled in the Daviess County Schools shall be required to attend school within the school district boundary where legal residence has been established, accepting those students who are mentally and physically handicapped or who are granted a transfer by the Board of Education. Any parent with a child attending Daviess County Public Schools may petition the board for a cross-district transfer based on a "reasonable need." The board reserves the right to reject the request for the following reasons: a) Transfer would cause overcrowding in classroom or school; b) Request is for the purpose of competing in athletics; c) Student's transfer would reduce the classroom size to an uneconomical number; and d) Any reason deemed advisable by the board. Application for transfers can be obtained at Central Office at 1622 Southeastern Parkway. Students whose parents move during the year to another school within the county or school district may finish the year in the school from which they move. At the end of the year, they may be required to enroll at the school located in the district where they reside.

Students who withdraw for any reason must observe the following: (Pupils withdrawing from school who are under the age of 18 can only do so with a parent signature witnessed by the principal.)

School board policy provides the guidelines for residential students to change high schools. This same policy places numerous restrictions and conditions on students in order to be eligible to change schools. Paragraph one of this policy states that "Students shall have demonstrated good behavior, good attendance and an effort to learn before requesting a transfer."

For the purpose of approving transfers, good attendance will be defined as students having fewer than three (3) unexcused absences, or fewer than eight (8) total absences for the year. Students requesting transfers between semesters cannot exceed one half (1/2) the annual standard. Credits earned or course work completed by transfer students from high schools with other schedules will be correlated to the District High School's semester courses.

Good standing will be defined as students having completed the most recent semester and having passed at least three (3) classes. Good behavior will be defined as students having been issued fewer than two (2) DM's and no other school discipline.

CHANGE OF ADDRESS / RESIDENCE

Students who move must report a new address within ten school days to the Student Services office. Students who falsify address and/or place of residence are subject to immediate removal from DCHS to their home school and/or district. An updated emergency card must be submitted to the office.

CHECK ACCEPTANCE POLICY

Your check is welcome. By paying for your purchase with your check, you are accepting our check acceptance policy. In the unlikely event your check is returned unpaid, you understand and agree

that your check may be electronically re-deposited or if necessary, re-deposited by paper draft. You understand and agree that we will collect a returned check processing charge of \$25.00. If you have any questions regarding our check acceptance policy, please call (270) 852-7300 (Sherri Walden, Bookkeeper).

DANCE PROCEDURES

Tickets to regular school dances (EXCEPT PROM) will be sold in advance and may be sold at the door; Prom tickets WILL NOT be sold at the door. All dances except for Prom are reserved for DCHS students only. Forms can be picked up in the front office at least two weeks prior to Prom. If PROM verification forms and/or PROM tickets are not secured within the timeframe allotted by administrators, a late fee will be assessed as deemed by the Administrators.

Students and their guest must abide by the following rules:

 - b. PROM ONLY: Strapless dresses are permitted. Dress must cover the small of the back (above waist level). Students must follow other dance dress code guidelines.

HOMELESS EDUCATION ASSISTANCE ACT

If your family lives in any of the following situations: in a shelter, motel, vehicle, or campground, on the street, in an abandoned building, trailer or other accommodations, or doubled up with friends or relatives because you cannot find or afford housing; then, your preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

You have the right to:

Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education provided to other students.

Continue in the school they attended before you became homeless or the school they last attended, if it is your choice and is feasible. If a school sends your child to a school other than the one you request, the school must provide you with a written explanation and offer you the right to appeal the decision.

Receive transportation to the school they attended before your family became homeless if you request such transportation.

Attend a school and participate in school programs with students who are not homeless. Students cannot be separated from the regular school program because they are homeless.

Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.

Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.

Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.

Receive the same special programs and services, if needed, as provided to all other students served in these programs.

Receive transportation to school and to school programs.

When you move, you should do the following:

Contact the school district's local liaison for homeless education for help in enrolling your child in a new school or arranging to continue in your former school.

Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.

Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies if needed.

If you need further assistance, please call the National Center for Homeless Education at the toll-free Helpline number at 1-800-308-2145 or visit their website at www.serve.org/nche.

Tuition students who are unable to abide by school policies risk the possibility of not being allowed to continue attending Daviess County High School.

VISITORS

We welcome parents to visit DCHS at any time. All visitors must report to the front office to sign-in before moving to any other area of the school. In order to keep the focus on academics, students are not to bring guests to school at any time. This includes siblings and/or relatives. Students who encourage out-of-school friends to visit at lunch and other times may be suspended and a warning given to the visitor that arrest could take place if visits continue. Students who talk with unauthorized visitors at lunch or during breaks may be suspended from school. Unauthorized visitors are to be reported to the office immediately.

ATTENDANCE INFORMATION/PROCEDURES

ATTENDANCE TO SCHOOL

Student progress depends on regular attendance. We want all students to reach their academic potential; therefore, it is important for students to be prompt and regular in attendance. Regular attendance will help each student develop a sense of responsibility and accountability for success. Attendance enforcement is a shared responsibility between the school and parent and/or legal guardian of the student. During the time that the public school is in session, all students are expected to attend school regularly and to be on time for classes. (KRS 159.010) Students are also expected to develop habits of punctuality, self-discipline, and responsibility. There is a direct relationship between good attendance and good grades! During the year, there will be days a student must miss due to (1) illness, (2) death in the family, (3) illness in the immediate family, (4) medical appointments, (5) mandated court appearances, (6) school sanctioned activities, (7) approved religious holidays, (8) emergency situations. When this occurs, a parent or guardian of the student must call the attendance office (270-852-7300) stating the reason for the absence in order for the student to receive an excused absence. A maximum of eight (8) absences or tardies per school year may be excused by parent note or parent call-in for illness or other approved absence per District policy. A statement from a medical practitioner, dentist, or county health department official will be required for any additional absences. Any absence the day before or after a scheduled out of school day is UNEXCUSED (unless a dr. note is provided).

The school has a voice mail system which enables parents to call 24 hours a day and leave a message. The school may call that parent later in the day to verify the parent's earlier call. From parent contact, the student is determined as excused or unexcused. Students have three days to clear any unexcused absences. This must be done during break or before or after school, NOT DURING CLASS TIME. After that time the absence will be recorded as unexcused. Unexcused absences will result in "0's" assigned for all work while absent, including tests.

BLANKET DOCTOR NOTES

Blanket notes are generally not accepted. A school administrator must approve any blanket notes for multiple absences. A health care committee may be formed to address individual requests.

CHECKING IN OR OUT OF CLASS

Students are not permitted in the hallways during instructional time unless they are accompanied by a Hall Pass given to them by a teacher.

CHECKING IN OR OUT OF SCHOOL

It is highly recommended that appointments be scheduled before or after school. When a student checks in or out of school, he/she must report to the front office to follow check out procedures. The administration will determine if the check-in or check-out will be considered excused or unexcused. All students must obtain an admit slip even if they are reporting to school between classes.

Students failing to check in/out through the attendance office may be considered truant and appropriate punishment may occur. Excessive late check-ins will result in disciplinary action which may include loss of driving privileges.

A parent note must be approved by an administrator in order for a student, who drives, to check out. If a student is ill at school, personnel will speak with a parent or guardian before allowing the student to leave school. All students must have a check-out card on file signed by the parents. Students MUST report to the front office to sign out.

Students who check in at any time during the school day are not allowed to bring in food or drinks. Any food/drink items must be discarded before entering the school building.

CLOSED CAMPUS

Daviess County High School has a closed campus. At no time are students allowed to arrive late or leave school early without checking in or out through the office. Students who leave the school campus without permission, or for reasons other than stated in their check-in or check-out, will be considered skipping and the appropriate consequences will occur. Any student leaving campus by car, either driving or riding, may surrender parking privileges for the remainder of the school year.

DRIVING TEST/PERMITS

Students will be permitted to check in or out of school to take their permit or road test for driving. Generally one hour is sufficient for this purpose and students will be expected to return to school immediately upon completion of their test.

NO PASS / NO DRIVE LAW (KRS 159.051) - Any 16 or 17-year old who wishes to obtain their permit must obtain a "School Compliance Verification" form from their respective school. The form may be obtained from the school receptionist, and it must be submitted 24 hours prior to the permit test.

Students who fail more than one class in a semester, drop out, or accumulate nine or more unexcused absences are considered non-compliant and are not eligible (per Kentucky state law).

Non-compliant students are also reported for revocation of their permit or license. Revoked permits/licenses may be re-obtained following a semester of compliance. The law does not apply to 18-year olds.

FALSIFIED NOTES / PHONE CALLS

Any student found falsifying check in or out notes/phone call from parents will be considered skipping and no further check in or outs will be possible during that school year without a parent personally checking that student in or out. Loss of school parking privileges may also occur.

HOMEBOUND ILLNESS

Homebound illness occurs when the student is, by a physician's statement and filing of homebound forms, placed at home or out of the school for at least 10 days or 2 weeks. A teacher will be sent to that student to tutor and help with school assignments at least two times a week, but no more than three times weekly. Contact the Guidance Department for an application.

ILLNESS AT SCHOOL

Daviess County High maintains a well-equipped first aid/sick room with a school nurse. Students should not spend excessive time in the restroom, without reporting to the office or nurse. Failure to do so could be grounds for skipping class and the appropriate action may be taken. Any student with on-going physical conditions shall always report to the Nurse's Office for care. Examples are diabetics, asthmatics, etc.

LONG TERM ASSIGNMENTS

In some individual classes, long term assignments may be required as due on a designated date regardless of illness or absence. The responsibility of the assignment handed in on time (on the due date!) will rest with the student and/or parents.

MAKE-UP WORK

Students enrolled in the Daviess County Public Schools are expected to be in attendance each day. The teacher may require those students who have been absent to complete activities directly related to the matter covered in the class at the time of the excused absence. The assignment shall be individualized to the need of the student. The activities shall not be considered "extra" or "additional" work, but as "regular" work so that the student will compensate for the time missed. The student shall be allowed at most five school days for completing the assignment from the date the student returns to school. Satisfactory completion of the activities shall meet the requirements for the class missed. Only students with excused absences may be given make-up work.

OCTC ABSENTEES

The attendance policy for each OCTC instructor may vary. OCTC students should explain reasons for absences to their instructor or follow the instructions provided on the instructor's syllabus. OCTC may choose to drop students from classes due to excessive absences. In this case, the student will receive an F on OCTC's and DCHS's transcript which could affect graduation status. On snow days, OCTC students are required to attend OCTC classes unless OCTC has cancelled classes too. It is the student's responsibility to determine if OCTC classes are in session. Students may see a counselor in the Guidance office if they have any questions concerning OCTC.

PRIOR APPROVED DAYS OF ABSENCES

To request an excused absence from school (including school sponsored activities that require an absence from class) the student must have a good attendance record and grades. Any days of requested absences must be approved by a school Administrator. All forms requesting prior approval of absences may be obtained in the Attendance Office. The following is a guideline for days approved in advance for students and parents:

1. Seniors may use three total college day visits, orientations, or other activities that colleges may plan (no more than two in one semester). Daviess County Schools have five days of in-service during the school year and those days should be used for this purpose.
2. No days will be granted for religious activities other than the reasons as stated in the handbook titled RELIGIOUS OBSERVANCES.
3. Students may use one day for competitions that are school related but not sponsored by the school. For example, a student may be involved in a music competition and is a student in our band, orchestra, or choir. An EEO form must be completed prior to the event.

REHABILITATION / TIME OUT OF SCHOOL

Occasionally, there are students who require long term medical help for various types of rehabilitation. Those agencies and facilities that include an educational component shall be in charge of the student's education while the student is in their care. Daviess County High School will provide for the agency a beginning point of each class sequence to allow the student to continue working within the content of each class. When the student returns to Daviess County High School, he/she will bring grades assigned by that agency for the work done while in treatment. The grade assigned shall be calculated along with grades earned while in school to determine the final semester grade for the student. Some subjects may require a withdrawal such as laboratory classes, physical education, etc. that require work that cannot be done other than at Daviess County High School. The student shall be dropped from the class with no grade or credit assigned for the semester.

RELIGIOUS OBSERVANCES

Students of a religious faith will be excused if the observance is for the purpose of celebrating a required religious holiday consistent with the student's creed or belief. A required religious holiday is defined as one that requires members to observe that day with either activities that are provided or with a day of self-denial sanctioned by the entire religious faith to which a student may belong. Students will not be excused if the observance is provided after school hours or if the day is not sanctioned by the faith as a day of self-denial which requires a person to refrain from taking part in "normal" day activities. Any student requesting to be excused for a religious observance must have prior approval by DCHS Administration.

SHORT TERM ILLNESS

Students who are ill and will be absent at least four or more days should call the student services office for individual classroom assignments. Students are encouraged to contact his/her teacher via email to request work. Allow 24 hours for the collection of assignments.

TARDY TO SCHOOL/TARDY TO CLASS

1. Students who are late to school shall report to the Attendance Office for an admit slip to class.
2. Each student is allowed three (3) excused late check-ins to school (per semester) without a doctor's note. Once three check-ins have occurred, a doctor's note will be required or an unexcused tardy will be issued (see discipline steps below).

3. Students who are late to individual classes, excluding first block, will answer to that particular classroom teacher. Upon receiving the third (3rd) unexcused tardy to a class, the following discipline steps will be administered:
4. Tardies to class (per semester) will be handled in the following manner:
 - Upon receiving the third (3rd) unexcused tardy to any class the student will be assigned a detention by an administrator/front office staff.
 - 4th unexcused tardy - Placement in In-School Suspension (ISS) that day for that particular class only.
 - 5th unexcused tardy - Two days in ISS for that particular class only.
 - 6th unexcused tardy - One full day in ISS and parent contact.
 - 7th unexcused tardy - Two days in ISS
 - 8th unexcused tardy - Three days in ISS
 - 9th unexcused tardy – The Center/IHC, Juvenile petition filed by school for Beyond Control and/or Educational Neglect, and loss of parking privileges (if applicable).

TRUANCY / UNEXCUSED ABSENCES / SKIPPING

KRS 159.150 (Definition of Truancy)

Any child who has been absent from school without a valid excuse for three (3) or more school days, or tardy on three (3) or more school days is a truant. Any child who has six unexcused absences is considered a habitual truant. KRS 159.990

Any parent, guardian or custodian who intentionally fails to comply with the requirements of 159.010 to 159.170 shall be fined one hundred dollars (\$100) for the first offense and two hundred fifty dollars (\$250) for the second offense.

1. A student is considered truant if he/she does not attend school and does not have a valid excuse. That student receives an unexcused absence and zeros in all classes missed. No work can be made up for unexcused absences. Three unexcused absences to school will result in the student being referred to the Director of Pupil Personnel as truant.
2. Failure to follow the proper procedure for checking in or out of school will be considered skipping.
3. A student who is not in his/her assigned area or does not have an agenda book, signed by their teacher, may be considered skipping.
4. Using concessions during class time will be considered out of area and skipping. Student aides are included, and discipline will be administered as appropriate.
5. Student aides will be considered skipping if found in areas other than the areas that have been assigned to them by their teachers.
6. Skipping class or school will result in the following:
 - 1st Offense: One day assigned to ISS and possible loss of parking privileges.
 - 2nd Offense: Five days assigned to ISS and loss of parking privileges.
 - 3rd Offense: Nine days assigned to ISS and parent conference.
 - 4th Offense: Beyond Control Petition filed & The Center/IHC placement.
 - Subsequent Offenses: Possible recommendation for expulsion from school.

WITHDRAWAL FROM SCHOOL

Students who withdraw from Daviess County High School must adhere to the following procedure:

1. Obtain a withdrawal form from the Guidance Office.
2. Students under the age of 18 must have a parent present to withdraw.
3. Withdrawal form must be completed and returned to the Guidance Office.
4. All books and materials must be turned in to responsible staff members.
5. All obligations must be satisfied.
6. Student ID turned in to the library.
7. School assigned laptops must be turned in to the Help Desk. Failure to return the laptop will result in further action.

Unless the above procedure is completed, the student is not officially withdrawn from Daviess County High School and will be considered truant until withdrawal obligations are met. No records will be forwarded to the receiving school until a proper withdrawal form is on file.

Students who leave school for the above reasons may not return to campus unless scheduled for a school activity (next class period, after school practice, etc.). Students returning must remain in the lobby (not in the academic wings) until the class period ends or the end of the school day.

In order to maintain orderly and reasonable school operations and student discipline, students have no claim to the right not to allow a search of school lockers, desks or students owned vehicles if the

search is based on the reasonable suspicion that the desk, locker, vehicle or similar object or container holds material or substances prohibited by the school or local, state, or federal law. Students have full responsibility for the security of their lockers and their vehicles parked on school property and shall not place, keep or maintain any article or material in lockers or vehicles parked on school property that is forbidden by law and/or DCPS Policy. Students shall be responsible for any prohibited items found in their lockers or vehicles.

Daviess County High School may in conjunction with law enforcement agencies use specially trained dogs to sniff out and alert to the current presence of concealed prohibited items, illicit substances and alcohol. This program is implemented to maintain a safe school environment conducive to education. Lockers, vehicles on school property, extraneous personal belongings, as well as other vacant areas, may be sniffed by trained dogs at any time during the school year. DCHS STUDENT ASSISTANCE PROGRAM

The Student Assistance Program is a comprehensive school-based program to help prevent problems related to alcohol, drugs, and other areas and to intervene when such problems occur. Students may be referred to the program by parents, staff, community agencies, or through self-referral. DCHS counselors are ready to assist students in crisis situations, and the school district employs a full time Student Assistance Program Coordinator who works with students and with families.

The program is designed to center on Prevention, Intervention, and Recovery. Prevention includes a variety of programs designed to reduce the risk that a student will experience alcohol or drug problems in life. Intervention is geared specifically at identification and referral for students with alcohol and drug problems or other disruptions in their lives. Recovery includes efforts to support those individuals who have sought treatment.

Although the prevalence of alcohol and other drug abuses and their related problems is a major focus of our Student Assistance Program, we want to assist students who have other problems such as victims of abuse, conflicts with parents, pregnancy, juvenile offenders, and any other problems facing today's youth. Support groups are in place at the school for any student who wishes to participate -Contact the Guidance Office.

Student athletes and their parents will be required to sign an agreement sheet before conditioning/practice/playing any sport.

ASBESTOS UPDATE

The Environmental Protection Agency regulations require all school systems to annually inform parents and staff members of the status of asbestos-containing building materials (ACBM) in our schools. In 1988 each of our buildings was professionally inspected for the presence of asbestos; following this inspection a management plan was put in place to protect occupants from exposure to any form of asbestos. DCPS has routinely removed ACBM from our buildings whenever renovations have taken place; furthermore, contractors who build new schools or renovate existing buildings are not allowed to use any material that contains asbestos in any form, so buildings built since 1988 have no ACBM.

Since 1989 a management plan has tracked the presence and gradual removal of ACBM from our buildings. This plan is documented and available for public viewing at any time at our Central Office, the Maintenance Office, and in the main office of each building.

If you have any questions regarding this matter or observe a change in the status of these materials, please contact Maintenance immediately: (270) 852-7060.

TERRORISTIC THREATENING

One of the most important functions of Daviess County Public Schools is to provide the safest learning environment possible for all of our students and staff members.

Unfortunately, in recent years, Kentucky schools have experienced an escalation of terroristic threats being made by students with intent to do harm to either other students or school staff members. In many of those cases, school officials and law enforcement officials were forced to close schools to investigate the threats. In other cases, school attendance declined for days after the threat was made.

Terroristic Threatening in the second degree is defined in state law (KRS 508.078)

(1) A person is guilty of terroristic threatening in the second degree when, other than as provided in KRS 508.075, he or she intentionally:

- b) Makes false statements by any means, including by electronic communication, for the purpose of:
 1. Causing evacuation of a school building, school property, or school-sanctioned activity;
 2. Causing cancellation of school classes or school-sanctioned activity; or
 3. Creating fear of serious bodily harm among students, parents, or school personnel

Such threats to our students and school staff are unacceptable and will not be tolerated. As a result, the purpose of this letter is to notify all parents and guardians that Daviess County Public Schools will pursue immediate legal charges for felony terroristic threatening in the second degree, to the

absolute fullest extent of the law, against anyone who makes such threats, including students. Moreover, we will advocate to our highest ability that the prosecution of these individuals be swift, and their punishment be severe.

Our approach to eliminating terroristic threatening in our schools is strong and unwavering. As a result, it is imperative that you discuss this critically important matter with your student as soon as possible. School and law enforcement officials are determined to stop these willful acts of terrorism being made toward our students. Please do your part to ensure that your student never becomes a party to such an offense by educating them on the seriousness of its consequences.

Together we can prevent this unnecessary, dangerous, and disruptive crime from victimizing our schools. Through this collaborative effort, we can focus on putting kids first and providing a safe learning environment.

The safety and security of our students and schools is our highest priority. We want to remind families and our community about the availability of an anonymous online system to report bullying, weapons, drugs or any unsafe behaviors. (Emergencies should always be reported by calling 911.) Information submitted to the Safety Tipline Online Prevention (STOP) is reviewed immediately by DCPS administrators who are trained in appropriate follow-up procedures.

To submit a report – 2 ways to report –

1. Go to www.dcps.org or any DCPS school website and click on the STOP logo in the upper right corner of the page, or go directly to the reporting page at <http://www.kycss.org/stop/stop.php?district=Daviess.County.School.District>
