Essential Question

Which secondary school facility model best equips WSD to implement and sustain an efficient and impactful instructional program?

A. Efficient is defined as:

1. maximize space utilization
2. staffing allocation
3. student experience

B. Impactful is defined as:

1. improved student achievement within the learning spaces
2. further prepares students to thrive in post-secondary pathways

The question will be evaluated using the following **decision-making criteria**:

- maximize students' academic growth and achievement
- maximize students' social-emotional development
- maximize the District's investment in allocating funds responsibly
- maximize modern learning environments for all students
- maximize efficient facility usage
