Review the table below listing our schools. For the 2022-23 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Pentwater Public Schools	No Label	Logic of English, Math Recovery, Reading Interventionist, Instructional Team Meetings several times a year and on-going professional development.

A huge thank you and congratulations is in order for all of our students, teachers and staff for all of their hard work and dedication that allow our students to perform as well as they do, congratulations and thank you! We would also like to extend a thank you to all of the continued support that we receive from the Pentwater and surrounding communities throughout the school year!
