For 56 years, Joyce Babel served as the dedicated school secretary at St. Rita School for the Deaf, and her quiet efficiency had become an integral part of the school's fabric. The entire school community is grateful for her years of service at the school and the impact she has made in the lives of many. She was committed to the position, profession, and the people.

Not only was Joyce the school secretary, she volunteered in all fundraising events including the Haunted House, St. Rita Fest, the Scholarship Benefit, and Bingo. In her journey through the years, Joyce and her family quickly became a part of the St. Rita family. When Joyce volunteered, her family volunteered

Dear St. Rita Community and Friends,

We hope this message finds you in good health and high spirits. As we reflect on the past school year, we are filled

with immense gratitude and pride for the journey we have undertaken together at St. Rita School for the Deaf. With your unwavering support, dedication, and generosity, we have accomplished milestones that have positively impacted the lives of our students and the entire school community.

The past school year presented unique challenges, but we navigated them with resilience and adaptability. We continue to reflect on our approach to educating students who are deaf or hearing and have language and communication needs. Thanks to your support, we were able to further our mission by providing individualized instruction, personal attention and direct communication.

Thanks to your support, we were able to further our mission by providing individualized instruction, personal attention and direct communication.

This year, we focused on phonological awareness for deaf and hearing children, we empowered the students in 7th–12th grade through the Work Study program, and have continued to grow our network of support that extends far beyond the school's boundaries.

At St. Rita, we firmly believe in nurturing and developing the whole child. Witnessing the

smiles on their faces as they explored their passions and learned something new, was priceless.

Our school is more than just a place of education; it's a close-knit community that fosters love and

encourage innovation, and support the individualized, personal education as well as the direct communication that St. Rita School for the Deaf provides. Together, we can ensure that every child attending the school

support. We were able to celebrate our students and staff through spirit week, Catholic Schools Week, and Teachers Appreciation week. Our annual Christmas program was a huge hit as always and the Rita Roast received rave reviews.

As we bid farewell to the past school year, we renew our commitment to the well-being and development of our students in this upcoming school year. Your continued support is pivotal to our mission, and we are eager to embrace the new school year with enthusiasm and dedication.

The new academic year holds promises of growth, innovation, and positive change. With your ongoing support, we aim to support our students and staff, help the school grow,

receives the education they deserve and the support they need to thrive.

Thank you! On behalf of the students, faculty, and staff at St. Rita School for the Deaf, we extend our heartfelt gratitude to each and every one of you. Your belief in our mission and your continuous support have allowed us to make a lasting impact on the lives of our students, empowering them to reach new heights and achieve their dreams.

We invite you to continue this journey with us and help us make a difference!

Sincerely,

A handwritten signature in blue ink that reads "Angela M. Frith".

day operations. She became the go-to-person for names, dates, and remember whens. Not only did she work with seven of the executive directors or principals, she assisted employees, parents, and students.

Joyce celebrated each success, big or small, as if they were her own. She witnessed countless heartwarming moments and challenges faced by the school and its

Joyce was showered with cards, gifts, thank yous and hugs. At the end of the school day, students and staff lined the first floor hallway to say a final farewell to Joyce. There were plenty of posters, hugs, surprises and of course tears. Her walk ended in the cafeteria where she was greeted by her husband Larry and other members of her family.

The celebration continued with a video good-bye from staff who expressed their appreciation, gratitude and love for Joyce Mayor Finan from the Village of Evendale wrote a proclamation for Joyce and her dedication to St. Rita. The atmosphere was a bittersweet mix of joy and sadness. The impact Joyce has made on St. Rita School for the Deaf is immeasurable, and her legacy

will continue to resonate for years to come.

In her retirement, we hope Joyce finally finds some time for herself and gets to spend time relaxing and pursuing her passions. Joyce Babel will be etched into the history and legacy of St. Rita School for the Deaf. Her dedication and commitment is something she has shown to all who crossed her path. In the heart of St. Rita School for the Deaf, the spirit of Joyce remains, a gentle presence guiding and inspiring generations to come.

students. Joyce was a true champion for all those she met. She believed in the St. Rita community and poured her heart and soul into helping create a supportive and loving environment.

Despite not liking surprises and not wanting anything special, the St. Rita School community rallied to plan a farewell celebration. They wanted to give Joyce the send-off she truly deserved, and everyone pitched in to make it a memorable event.

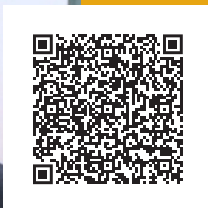

Students and staff picked a day to celebrate Joyce prior to the last day of school. Throughout the day,

inspirational to all they meet. The Dream Makers award honored Kevin, Jackie and Percy for their persistence, positivity, and impact they have in the St. Rita community and beyond.
