Within School District Field Trip Permission Form

Often, during each school year, there are times when students travel to another school site (property), Tecumseh business, City office, or City Park within the school district. For example, sometimes they travel, by bus, to another site for practice for a program; sometimes they might walk to the football field, city park, or business for a celebration or tour of some kind. To avoid sending home permission slips EACH time we travel, WITHIN THE DISTRICT/City of Tecumseh, parents/guardians may sign the permission slip below. If you do not wish your child to attend these in-district activities/functions, do NOT sign. Your child will be kept under adult supervision at school.

Based upon this representation, my child _____, has permission to travel within the Tecumseh Public School District at his/her teacher's direction.

NOTE: If students are attending a function OUTSIDE of Tecumseh Public Schools district, you will receive a separate permission slip.
