Assistant Superintendent

March 28, 2024

It's time for state testing! All juniors will take the ACT, a US History test, and a Science content test in the coming weeks. Information has been sent to all Juniors in Canvas.

**These tests are requirements for graduation.**

ACT will be given April 9th, 10th and 11th. Juniors may choose one of these days to test. The sign up sheet is across from the counseling office, or students can email Mrs. Meyers. This score is college reportable and will go on your transcript. These scores matter! The test will take most of the day, and students will not be allowed to leave campus for lunch.

#### US History & Science Tests

April 15th-students last name A-M report to Alumni first period for the science test.  
April 15th-students last name N-Y report to the Alumni 3rd period for the science test.  
April 16th-students last name N-Y report to the Alumni 1st period for the history test.  
April 16th-students last name A-M report to the Alumni 3rd period for the history test.

These tests will take about an hour or so.

April 2nd-ALL juniors report to the commons for an ACT Boot Camp. This will be during 1st & 2nd periods.

For ALL events posted above, students will need their school issued device charged! If they do not have a school device, let Mrs. Meyers know. We will have some available but need to get a count.

If you have questions, please contact Mrs. Meyers or Mrs. Griggs at Tecumseh High School at (405)598-2113.
