Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Read to Succeed Buffalo, Inc.	Experience Corps Buffalo	Experience Corps (EC) is an intergenerational, evidence-based 1:1 tutoring/mentoring program of the AARP Foundation that harnesses the social capital of retirees by training and deploying them to Tutor/Mentor 1st - 3rd grade students who are below grade level in reading as measured by beginning of year DIBELS 8 assessment and teacher feedback. Experience Corps came to Buffalo though a competitive grant process in 2016 with funding from the AARP Foundation and Corporation for National & Community Service Social Innovation Fund. It has been privately funded since its inception by Buffalo's foundation community in six Buffalo Public Schools.	In School;During the school year;Daily;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.	In School;During the school year;Daily;Each agency operates at different timeframes and days. Some agencies offer after school, but most do not. Telehealth services also provided. ;
Say Yes Buffalo	Mobile Health Clinics	Say Yes Buffalo provides coordination and facilitation of mobile health clinic services to Buffalo Public School students. Historically, pediatric and sexual health services have been offered on the mobile clinic. As of the 2021-2022 school year, BPS requested only pediatric services be provided through Neighborhood Health Center. The unit is a Federally Qualified Health Care service. The goal for services is to establish or re-establish ongoing medical care for students. On the unit, students can be seen for well visits/physicals, immunizations, referrals to specialists, etc. Students can attend the unit regardless of insurance status.	During the school year;Friday;Summer Services (limited);
Say Yes Buffalo	Say Yes Buffalo - Community Schools	Supports 24 Buffalo Public Schools with programming and supports via community school navigators and zone leaders.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Saturday;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education. Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.	In School;During the school year;Daily;Each agency operates at different timeframes and days. Some agencies offer after school, but most do not. Telehealth services also provided. ;

Say Yes Buffalo	Mobile Health Clinics	Say Yes Buffalo provides coordination and facilitation of mobile health clinic services to Buffalo Public School students. On the unit, students can be seen for well visits/physicals, immunizations, referrals to specialists, etc. Students can attend the unit regardless of insurance status. *Note, during the 2022-2023 school year, coordination of services will transition from SYB to BPS.	During the school year;Friday;Summer Services (limited);

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Best Self Behavioral Health	ELT	Academic: Academic instruction will be delivered by certified teachers. It will include homework tutoring, Regents review, and credit recovery in core areas where applicable. Academic enrichments are offered as well to ensure students are receiving appropriate support related to their studies. Positive Youth Development: Positive Youth Development will be delivered by BestSelf Behavioral Health staff, contracted vendors and school staff. Student interest surveys will be conducted before the start of program and at numerous times throughout the year to align the positive youth development activities with student needs and interests. Activities that have been offered in the past include art, steam, dance, cooking, cosmetology, musicals, and social emotional groups. Health & Wellness: Health & Wellness are an important component of South Park's ELT. South Park staff and Bestself work together to ensure that the students are receiving a high level of Health & Wellness supports. Personal Training & weight room have been very successful in our program; and these will continue to be a regular offering during ELT. Strong successful social emotional supports are also offered including small groups, restorative circles and student to student mediation. We will continue to incorporate our Generation Z Café's into afterschool to offer our students cooking enrichments focusing on healthy eating and recipes students can take with them to make at home. Pfc. William J. Grabiarz School of Excellence, BPS #79	Prevention Focus	Too Good for Violence (TGFV) K–5 is a school- and community-based prevention program that targets all students in kindergarten through fifth grade. TGFV K–5 builds skills sequentially, providing developmentally appropriate curricula at each grade level. 2. LifeSkills Training (LST) is a school-based program that aims to prevent alcohol, tobacco, and marijuana use and violence by targeting the major social and psychological factors that promote the initiation of substance use and other risky behaviors. LST is based on both the social influence and competence enhancement models of prevention. Consistent with this theoretical framework, LST addresses multiple risk and protective factors and teaches personal and social skills that build resilience and help youth navigate developmental tasks, including the skills necessary to understand and resist prodrug influences. LST is designed to provide information relevant to the important life transitions that adolescents and young teens face, using culturally sensitive and developmentally and age-appropriate language and content. 3. SPORT Prevention Plus Wellness, a motivational intervention designed for use by all adolescents, integrates substance abuse prevention with health promotion to help adolescents minimize and avoid substance use while increasing physical activity and other health-enhancing habits, including eating well and getting adequate sleep. SPORT is based on the Behavior-Image Model, which asserts that social and self-images are key motivators for the development of healthy behavior.	During the school year;In School;Monday;Tuesday;Wednesday;Thursday;Friday;8-16 week sessions;

Planned Parenthood of Central and Western New York (PPCWNY)	Series programming, Be Proud! Be Responsible!, Patch for Parents, Families Talking Together (FTT), Plan A, 17 Days	Series programming: select programming on topics including but not limited to sexual & reproductive anatomy, birth control, Planned Parenthood services, sexually transmitted infections (STIs), safer sex, consent, and healthy relationships. Be Proud! Be Responsible!: an evidenced-based intervention that gives teens the information, skills and confidence to reduce their risk of HIV. It empowers young people to change their behaviors and lower their risks by abstaining from sex or by using latex/non-latex condoms if they choose to have sex. Patch for Parents: a one-time parent/caregiver-based intervention that engages and educates parents, guardians, and caregivers on teen rights and responsibilities in health care settings, and helps them to support young people in becoming responsible managers of their own health. Families Talking Together: a one-time parent/caregiver-based intervention that encourages prevention and/or reduction of sexual risk behavior among Latinx and African-American adolescents (ages 10-14). The program seeks to prevent and/or reduce sexual risk behavior by: 1) increasing effective communication skills; 2) building parent-adolescent relationships; 3) helping parents develop successful monitoring strategies; and 4) teaching adolescents assertiveness and refusal skills. Plan A: a 23-minute video intervention designed for African American and	During the school year;Afterschool;In School;Saturday;
Read to Succeed Buffalo, Inc.	Experience Corps Buffalo	Experience Corps (EC) is an intergenerational, evidence-based 1:1 tutoring/mentoring program of the AARP Foundation that harnesses the social capital of retirees by training and deploying them to Tutor/Mentor 1st - 3rd grade students who are below grade level in reading as measured by beginning of year DIBELS 8 assessment and teacher feedback. Experience Corps came to Buffalo though a competitive grant process in 2016 with funding from the AARP Foundation and Corporation for National & Community Service Social Innovation Fund. It has been privately funded since its inception by Buffalo's foundation community in six Buffalo Public Schools. The 30-minute EC structured tutoring session is focused on building fluency and comprehension skills in students through repetition and practice while building the Tutor-Student relationship through consistency of sessions (2x – 3x per week, every week of the school year), quality talk, and read-aloud time to model fluent reading, build vocabulary, background knowledge and the Tutor-Student relationship. The model utilizes Reading A-Z leveled readers, specific to the child's independent level, "playing" five reading games per session focused on a small section of text to practice fluent and accurate reading and read aloud focused on the student's instructional level to introduce vocabulary and build background knowledge.	In School;During the school year;Daily;
Rotary Club of Buffalo	Rotary Mentors	Mentor students in grades K-8 based on teacher and staff recommendations and targeted students are not receiving services.	In School;During the school year;Tuesday;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Parker Academy	Parker Academy	Supporting and promoting wellness, reading and community building through family evening events.	evening events
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education. Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Rotary Club of Buffalo	Rotary Mentors	Mentor students in grades K-8 based on teacher and staff recommendations and targeted students are not receiving services.	In School;During the school year;Tuesday;
Say Yes- BestSelf	BestSelf Behavioral Health, Inc	Provides individual and family mental health counseling at school	In School;Monday;Thursday;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.	In School;During the school year;Daily;Each agency operates at different timeframes and days. Some agencies offer after school, but most do not. Telehealth services also provided. ;
Say Yes Buffalo	Mobile Health Clinics	Say Yes Buffalo provides coordination and facilitation of mobile health clinic services to Buffalo Public School students. On the unit, students can be seen for well visits/physicals, immunizations, referrals to specialists, etc. Students can attend the unit regardless of insurance status. *Note, during the 2022-2023 school year, coordination of services will transition from SYB to BPS.	During the school year;Friday;Summer Services (limited);

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Pfc. William J. Grabiarz School of Excellence, BPS #79	Prevention Focus	Too Good for Violence (TGFV) K–5 is a school- and community-based prevention program that targets all students in kindergarten through fifth grade. TGFV K–5 builds skills sequentially, providing developmentally appropriate curricula at each grade level. 2. LifeSkills Training (LST) is a school-based program that aims to prevent alcohol, tobacco, and marijuana use and violence by targeting the major social and psychological factors that promote the initiation of substance use and other risky behaviors. LST is based on both the social influence and competence enhancement models of prevention. Consistent with this theoretical framework, LST addresses multiple risk and protective factors and teaches personal and social skills that build resilience and help youth navigate developmental tasks, including the skills necessary to understand and resist prodrug influences. LST is designed to provide information relevant to the important life transitions that adolescents and young teens face, using culturally sensitive and developmentally and age-appropriate language and content. 3. SPORT Prevention Plus Wellness, a motivational intervention designed for use by all adolescents, integrates substance abuse prevention with health promotion to help adolescents minimize and avoid substance use while increasing physical activity and other health-enhancing habits, including eating well and getting adequate sleep. SPORT is based on the Behavior-Image Model, which asserts that social and self-images are key motivators for the development of healthy behavior. Northwest Buffalo Community Center	Northwest Community Center After School Program	Northwest Community Center partners with the school to focus on academic skills as well as expose the students to extra curricular activities.	Afterschool;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.	In School;During the school year;Daily;Each agency operates at different timeframes and days. Some agencies offer after school, but most do not. Telehealth services also provided. ;
Say Yes Buffalo	Mobile Health Clinics	Say Yes Buffalo provides coordination and facilitation of mobile health clinic services to Buffalo Public School students. On the unit, students can be seen for well visits/physicals, immunizations, referrals to specialists, etc. Students can attend the unit regardless of insurance status. *Note, during the 2022-2023 school year, coordination of services will transition from SYB to BPS.	During the school year;Friday;Summer Services (limited);
Say Yes Buffalo	Family Support Specialist	Support for students and families by using the Community Schools Model and providing wrap around services to identified students and/or families.	In School;During the school year;Tuesday;Wednesday;
Say Yes to Education Buffalo	Community Schools Navigator	Utilize the Community School Model to provide services to the whole child and engage the parents. The program also offers support and resources to students and families to assist with engagement throughout the school day and Saturdays to ensure our students can reach their full potential.	In School;Daily;Saturday;Evening Events;

Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education. Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Name of Organization	Program Name	Program Description	Days/Time of Day
Best Self Behavioral Health	Building Brighter Futures	Best Self provides mental heath counseling at the school as well as manages the extended learning program with both academic and social emotional supports.	Afterschool;In School;Daily;During the school year;
Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Say Yes	Community School - Saturday Academies	Community navigator provides Saturday Academies and serves as a link between the community and the school. Plans for college visits and supports school with mentors and lecturers. Works with different agencies to support the school.	Daily;During the school year;In School;Monday;Tuesday;Wednesday;Thursday;Friday;Saturday;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Name of Organization	Program Name	Program Description	Days/Time of Day
Best Self Behavioral Health	ELT	Academic: Academic instruction will be delivered by certified teachers. It will include homework tutoring, Regents review, and credit recovery in core areas where applicable. Academic enrichments are offered as well to ensure students are receiving appropriate support related to their studies. Positive Youth Development: Positive Youth Development will be delivered by BestSelf Behavioral Health staff, contracted vendors and school staff. Student interest surveys will be conducted before the start of program and at numerous times throughout the year to align the positive youth development activities with student needs and interests. Activities that have been offered in the past include art, steam, dance, cooking, cosmetology, musicals, and social emotional groups. Health & Wellness: Health & Wellness are an important component of South Park's ELT. South Park staff and Bestself work together to ensure that the students are receiving a high level of Health & Wellness supports. Personal Training & weight room have been very successful in our program; and these will continue to be a regular offering during ELT. Strong successful social emotional supports are also offered including small groups, restorative circles and student to student mediation. We will continue to incorporate our Generation Z Café's into afterschool to offer our students cooking enrichments focusing on healthy eating and recipes students can take with them to make at home. Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes / Bestself Behavioral Health	Say Yes	BestSelf has partnered with Say Yes Buffalo to provide school-based mental health counseling services, with school-based offices essentially functioning as outpatient clinics to provide tier 3 services	In School;During the school year;Afterschool;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.	In School;During the school year;Daily;Each agency operates at different timeframes and days. Some agencies offer after school, but most do not. Telehealth services also provided. ;
Say Yes Buffalo	Mobile Health Clinics	Say Yes Buffalo provides coordination and facilitation of mobile health clinic services to Buffalo Public School students. On the unit, students can be seen for well visits/physicals, immunizations, referrals to specialists, etc. Students can attend the unit regardless of insurance status. *Note, during the 2022-2023 school year, coordination of services will transition from SYB to BPS.	During the school year;Friday;Summer Services (limited);

Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education. Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;

Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Legal Aid Bureau of Buffalo Inc.	Legal Aide Bureau	Lead Holistic Discipline Diversion and Intervention Program	Home-based;In School;During the school year;
Osborne FamilyWorks Buffalo	Youth Experience Success (Y.E.S.)	Y.E.S. provides services to youth ages 12-15 that are affected by parental/guardian incarceration. Parent (s) can be currently incarcerated or previously incarcerated. Y.E.S. is designed to remove the stigma in regards to youth and families affected by incarceration. We meet every Wednesday at CAO JFK community center from 4:30pm-6pm. We come out to have fun and eat snacks, but most importantly to remind our youth that their loved ones experiences do not define them. Youth also receive a stipend for participating in the program.	Afterschool;Some time program may be virtual.;
Say Yes Buffalo	Preventive Services	Family Support Specialists work with students and families deemed "at-risk". This means that there are children in the home at significant risk of removal/out-of-home placement due to safety concerns. These safety concerns could be due to child welfare concerns or behavioral needs of youth (i.e.- aggressive or violent behaviors). This program is funded and overseen by Erie County Department of Social Services. Family Support Specialists (FSS) will work with full families, once approved by ECDSS, to wrap them with support services. FSS will work with students and families at school, in the home and in the community. All children under 18 in the home are required to be seen in person/in the home at least once monthly. This program is typically voluntary on behalf of the parent, though there may be times Erie County send Say Yes Buffalo a referral where there are court-mandated services.	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;

Say Yes Buffalo	Health Home Care Coordination	Family Support Specialists/Health (FSS/H) work directly with children ages 0-21 who have chronic medical, behavioral or developmental needs. FSS/H will work with students and caregivers to coordinate a set of care which could include educational services, behavioral health services, physical health/nutrition services, linkage to a specialist, and community recreational supports and services. The FSS/H will establish communication lines between all providers involved with a child/youth as well as support the child/youth and/or caregiver when appropriate with understanding all treatment plans and services. FSS/H will assist with access to quality care- helping to address social determinants of health. FSS/H will also bridge gaps between home and school to increase student and caregiver involvement. Children/youth enrolled must either have Medicaid or a Managed Care Plan to enroll (such as Fidelis, Molina, Highmark, Independent Health, etc.).	Afterschool;Home-based;In School;Daily;During the school year;Monday;Tuesday;Wednesday;Thursday;Friday;Summers;
Say Yes Buffalo	Mental Health Service Liaison	Coordinate and facilitate mental health services to Buffalo Public School students and students within local institutions of higher education.
