Mark your calendars, the first PTO meeting of the school year will be September 13 at 6:30 at Oly South. Anyone is welcome, we love to see new faces!

**MTSS groups begin this week**

You should have received a letter informing you of what your child will be focusing on during our MTSS time which begins this week.. All grades K-5 have a 25 minute block each day for MTSS, where students get instruction based on what they are ready to learn. We will also be in contact with some families soon regarding our after school interventions..

**September Mental Health**

At Olympia we prioritize the behavioral and mental health of our students. Each building has a social worker, psychologist, and school counselors (middle and high school level). Additionally, we have external partnerships that are in place to provide support in addition to what we can offer at the school. If you have concerns about your child's mental / behavioral health, please reach out to the building principal or our school social worker, Mrs. Duggins, to see how we may be able to assist your child.
