Climate/Culture Parent Survey

Each year we ask parents to provide their opinion on a climate and culture survey. The State Board of Education requires a parent climate survey be administered and we have chosen the one linked below. After clicking on the link below, you will be asked to select the school you are completing the survey for. If you have children in multiple schools, we ask that you complete the survey once for each school. This allows us to sort data and have school based discussions to identify areas to celebrate as well as to identify items we need to work on / opportunities for growth.

The survey will be open from January 23, 2024 - February 23, 2024.

Thank you for your time.
