- When after school intervention notes are returned, please send them down in the yellow folder. We are going to cap the number of students at 20. They are due back by Friday and on Friday we will send home confirmation letters for the 20 that got in. (If more than 20 permission slips come back) After school will start on February 13th and end on May 2nd.
- MAP family reports and MTSS letters should have all been shared with families by now!
- This will be our last week focusing on Responsibility. Please submit your January Spartan of the month by the end of the week.

 - Many of you will be receiving a link to complete a feedback survey for either myself or Mrs. Steve this week. We are participating in an admin academy and part 2 of this academy focuses heavily on the feedback we receive from those we lead and work alongside. The instructions for taking the survey will be sent to you in an email and the sender i.d. is "observer_notification@lpionline.com". I know it's another thing that takes some time to complete, but we really appreciate your feedback!
 - The 23-24 school year spending deadlines are in February. Please click on the [District Spending Link](#) which outlines final requisition dates.
 - Non Tenured teachers and those of you in Year 3 for evaluation that will have a summative score this year, please complete your self-reflection in the google classroom by February 10th.
