

ADVENTURE BEGINS AT YOUR LIBRARY

SUMMER READING PROGRAM 2024

Another school year has come and gone, and with that comes the beginning of summer! Two of my favorite hobbies are reading and making crafts, and this year I am excited to host yet another Summer Reading Program full of just that; reading and crafts.

This year's theme is Adventure Begins at your Library and I couldn't agree more. I believe reading from the pages of a book is one of the biggest adventure you could ever take in life! This year as part of our summer reading program, students will have the opportunity to participate in storytelling, crafts, and virtual reality. I have downloaded some new and exciting stories on the VR headsets that I am really excited to have the students explore!

The Summer Reading Program hours will be held from 11am-1pm Mondays, Wednesdays, and Thursdays for the months of June and July. This year we will continue to have our "come-and-go" policy where students are not required to stay for the entire time if they so choose. Whether they stay for part of the time, or for the entire session, it is the parent's responsibility to ensure their student is where they need to be. Adults are always welcome to join in the crafts and stories of the Summer Reading Program, and as always, students and adults will be allowed to check out library books throughout the summer. Come join us!! For a schedule of planned events you may pick up a copy of the itinerary at the library or visit the Woonsocket Library Facebook Page!!
