

What is Dual Enrollment (DE)?

Earn college credits while in high school!

Tidewater Community College's dual enrollment options provide qualifying high school students a unique opportunity to jump start their college careers.

As a dual-enrolled student, you are enrolled in both high school (or home school) and TCC.

Types of Dual Enrolled Students

- > **Dual Credit Student** You receive both college and high school credit for the course you're taking.
- > Special Provisions You enroll in a TCC course and receive only college credit.
- > Dual Credit/Special Provisions You take at least one course for which you receive dual credit and at least one course for which you receive only college credit.

Dual Enrollment Eligibility

- Be a junior or senior in a public or private high school, or the homeschool equivalent
 - Special TCC approval needed for freshmen & sophomores.

- Meet college readiness standards
 - Dual Enrollment Admission & Placement Criteria

Benefits of Dual Enrollment

- ➤ Jump-start your college career by completing general education courses that can transfer to most 4-year colleges/universities.
- Discover new career interests and possible college majors.
- > Earn college credits without high-stakes testing (i.e., AP or IB exams).
- > Earn a certificate or an associate degree while still in high school.
- Experience what it's like to take college courses to help you transition more seamlessly from high school to college.
- > Reduce the cost of your post-secondary education.

The Ideal Dual Enrollment Student

- ➤ Can articulate why he/she is interested in DE
- ➤ Meets college DE admissions requirements
- > Self-motivated
- > Self-starter
- **≻**Mature
- ➤ Organized
- ➤ Takes initiative
- ➤ Responsible
- ➤ Has a specific pathway planned for graduation

Courses Taught @ Your High School

- ➤ Dual Enrollment classes taught on site at various high schools within the TCC service region.
- > Classes are offered during the regular school day for students attending the high school or academy.
- > Taught by instructors who meet all qualifications to teach college courses.

| Local School Districts Offering Dual Enrollment on Premise | | | |
|--|-------------------------------|--|--|
| Chesapeake Public Schools | Norfolk Public Schools | | |
| Portsmouth Public Schools | Virginia Beach Public Schools | | |

Courses Taught @ TCC

High school dual enrolled students taking college classes on campus or online as part of the *regular college student population*.

Students are able to enroll in any class in which they meet the prerequisite.

Click here to view <u>TCC Course Descriptions</u> or click here to view the current <u>Class Schedule</u>.

Tuition Costs @ TCC

- ➤ In-State: \$195.25 per credit hour
- ➤ Out-of-State: \$409.85 per credit hour, which is lower than the average cost per credit hour.
- Tuition costs at the local public high schools will vary.
- FOR School Year 2024-2025.
 - On campus or online through TCC: \$25/credit hour
 - On the public high school campus: No Cost
