2 **School-Sponsored Publications**

3
4 School-sponsored student publications and electronic media productions are part
5 of the school district's instructional program. The board of education supports the
6 development of student communication skills through school-sponsored
7 newspapers, annuals, magazines, and electronic media including computer,
8 video and digital productions.

9
10 Student publications and productions must conform to all good scholastic and
11 professional journalistic standards. The board delegates to the superintendent of
12 schools the right to prohibit dissemination of any school-sponsored publication or
13 media production that does not conform to these standards, or which the
14 superintendent or designee deems inappropriate for the school environment.
