

Northwest Elementary School Enrollment Zone

In some areas of Denver, DPS uses “enrollment zones” rather than traditional single-school boundaries. An enrollment zone is a geographic area where the students living within it are guaranteed a seat at one of several schools, not just one particular school. To find out if you live in an enrollment zone, enter your address into the School Finder at schoolfinder.dpsk12.org.

Even if you live in an enrollment zone and have guaranteed access to one of the schools in that zone, you can rank your preferences or apply to any school in the district when completing the SchoolChoice application. The SchoolChoice application for the 2025-26 school year is open from 10 a.m. on Jan. 15 to 4 p.m. on Feb. 18. Learn more at schoolchoice.dpsk12.org.

Centennial, a School for Expeditionary Learning, is a fully credentialed EL Education school. The EL Education model (formerly known as 'Expeditionary Learning') engages students through high-level tasks and active roles in the classroom, nurturing critical thinking, inquiry and real-life problem-solving. Our teachers foster students' growth in our habits of learning to support students in their social and emotional development, a spirit of "crew, not passengers," and trust in and out of the classroom. Our literacy curriculum engages students in projects, connecting them to real-world audiences and empowering them to care and contribute to the world around them. Learn more about our work on our website and by reading this article and watching the accompanying video. We offer fee-based Discovery Link programming and enrichments through ELCS.
