# College and Career Center:

The CCC (College and Career Center) is scheduled to be open 2 days each week this semester (Monday and Friday) from September 16th - November 22nd.

On days the CCC is open it will be staffed by a PSHS counselor during periods 4, 5 and 6 (study hall / lunch periods).

The CCC is located in Room 300 (very close to the media center in the 300 wing). Every student is welcome to come down to the CCC (make sure to arrive before the bell) during their study hall period (you do not need to check in to study hall first).

When in the CCC you will have the opportunity to ask a counselor anything college and career related (post high school plans, college/trade school application help, career discussions, financial aid and more!). The expectation is that when in the CCC you are working/discussing on things that are college and career related! All the counselors are looking forward to seeing you in the CCC!

District 202 and Plainfield South High School are getting ready to bout with our first ever district wide Battle of the Books! Teams of 3-5 members (which may include one staff member) will test their knowledge of five chosen books by answering increasingly difficult questions as they move through March Madness style competition brackets. School battles will start at the end of February, with the district final at Plainfield Central on March 26th. Expect prizes, fun, team-building, and friendly (but fierce!) competition. The sign-up form can be found here. Please see the library ladies if you need more information.

On Tuesday, October 15th and Wednesday, October 16th, the PSHS Library was visited by the very best dogs from the Alliance of Therapy Dogs. Students could sign up to spend their study halls in the library visiting with Pepper, Vera, Loki, Beanie, Hildy, Sage, Elijah, and Gizmo.

Continuing our monthly tradition, Mrs. Vittorio with the Plainfield Public Library brought seasonal crafting to library study halls on Tuesday, October 22nd. Students used clay, wires, hot glue and moss to make pet ghosts in tiny jars. We're so grateful to be able to partner with the Plainfield Public Library each month to create a different craft. Our next crafting date is November 21st when we'll design our own pencil cases.

# Student Council:

Our Student Council recently attended the SPC (Suburban Prairie Conference) Leadership Conference at Yorkville High School. Thirty PSHS Student Council members were chosen to attend the event, where they had the opportunity to meet and collaborate with students from all 12 schools in our conference. They discussed what leadership looks like, how to increase student involvement in school and ideas for fundraising and new events to possibly try in the future.
