

PRINCIPAL'S MESSAGE

Parent Survey

I hope this message finds you well prepared for the incoming snow! As we begin 2024, we would like to invite you to participate in our Parent Perception Survey. Your insights are invaluable to us and your feedback is crucial in helping us understand perspectives and continuously improve our school environment. Your thoughts will shape the future of our educational programs and initiatives as we prepare for next school year.

Please take a few moments to share your experiences and suggestions by using the survey link provided below. Your input is not only appreciated but essential in creating a positive and enriching experience for our students. Thank you for being an integral part of our school community!

Warmly,

From our Popcorn Friday fundraiser money, we were able to make a \$1000 donation to the Perry Emergency Relief Council for the Perry Food Bank in December as well as support the purchase of a water bottle filling station in the lobby. Thank you for your continued support!
