OAKWOOD COMMUNITY EDUCATION FOUNDATION GRANT APPLICATION

MISSION

The Oakwood Community Education Foundation goal is to help in giving students in the district the kind of education that will prepare them for the workforce and for college. Grant monies are to help students and teachers to have the programs and materials needed in accomplishing this goal. When grant requests are reviewed the following ideas are considered:

- Allows for advancements in academic programs;
- Keeps students current with technology;
- Promotes student development through enrichment programs and activities, and recognize student accomplishments;
- Provides resources for creative teaching ideas;
- Encourages community partnerships;
- Provides ways for individuals and organizations to share resources with the school to enhance learning;
- Develops cooperative projects among the Foundation, community groups and the school district.
