Ms. Beth Mackey

Beth Mackey consistently demonstrates exceptional dedication and commitment to her students and school. She routinely goes above and beyond to ensure that her students experience success. Beth has served as a mentor and tutor, helping students overcome challenges and excel academically.

Beth is a team player who is always willing to collaborate with peers and share their expertise. She builds strong relationships with peers and students and communicates effectively to create a supportive and inclusive learning environment. Her warm and approachable demeanor fosters an environment where students feel valued and supported.

Beth demonstrates remarkable adaptability and can effortlessly transition between different learning environments. She embraces change, ensuring that her students receive the best education, regardless of circumstances. She has a proactive approach to change and welcomes new opportunities for improvement, ensuring that the needs of her students remain at the forefront.
