All dates, including the first and last day of school, are subject to change in the event of severe weather, changes to current legislation or other unforeseen circumstances. Lancaster County School District is a SCDE approved eLearning district. The current provision allows the district to use up to five (5) days in eLearning. These days are for emergency situations, such as inclement weather or utility interruptions (for example, water line breaks or power outages). They are not planned days on the calendar.
