

# Harrison School District 36 Strategic Plan

## MISSION

Guiding students to successfully navigate valuable learning opportunities.

## CORE VALUES

At Harrison School Dist. 36, we...

**Encourage** open dialogue.

**Honor and respect** diverse perspectives within our community.

**Celebrate** accomplishments—academic and personal.

**Promote** continuous learning in a collaborative environment.

**Provide** equitable opportunities for our community of learners.

**Demonstrate** integrity through courageous character.

## VISION

To be the driving force that leads a growing community of learners who demonstrate excellence in education.

Growing leaders who make a difference.

## GOALS

Increase student achievement through rigorous instruction and programming.

Minimize the financial impact on taxpayers while maximizing the district's strong financial position.

Study options to accommodate a growing student enrollment.

Analyze the district's use of technology that leads to improved student achievement.

Create a welcoming environment for all community stakeholders.

Establish a consistent, streamlined communication process.
