

# CALUMET ELEMENTARY MONTHLY BUGLE

SCHOOL  
STATEMENT

**NEVER  
GIVE UP**

That is our mission statement at Calumet Elementary this year. It means when you start something you should finish it. Have you ever had a goal that was really hard to accomplish? Didn't it feel good to keep going and achieve it? School is like a marathon, not a sprint. You have to keep pushing and no matter how challenging it gets, NEVER GIVE UP.

## Meet the Writers

Our paper is going to look a little different this year. Last year, we had a team of students who volunteered to write our newspaper, but this year, Mrs. Jech's 6th graders are teaming up and making the school paper a class project! So, allow us to introduce ourselves: pictured left to right on the back row Jesse Clements, Landon Rowledge, Eli Havener, Anthony Covarrubias, Coen Taylor, Ryan Crofts, Toby McKee, and Ross Wells. Front Row: Elijah O'Dell, Laila White, Tessley Dominick, Colton Daughety, Hayden Gross, Cash Walling, MaKya Muskett, Scarlet Jones, Meghan McCullough, and Easton Gibbins.

We are putting this paper together to inform the community and our students about upcoming events and things that are happening in our school. Another way to stay informed and up-to-date is to download our Calumet app. Our app includes a list of events, the breakfast and lunch menu, important school documents, and much more. We can't forget to mention another great way to stay informed, which is to follow Calumet Schools on FaceBook. Calumet 5th & 6th grade has their own Facebook page as well. We have several competitions planned this year and sometimes our teacher rely on public votes to see who wins. For example, in Mrs. Jech's class, after we complete a novel, we design a poster to hang on a ceiling tile in her room. She will post the posters on our Facebook page and the one with the most votes, wins! We would love for you to follow along on our school journey this year!

### QUOTE OF THE MONTH

# SUMMER Fun

'My favorite memories of summer are watching my favorite show, *My Hero Academia*, with my dad and going swimming at her aunt's house for her cousin's birthday.'

-Emma, 5th Grade

"My favorite part of the summer was baling the big bales of hay, because in the winter we can sell it. We baled up a lot of alfalfa this summer. We left a strip of alfalfa to keep the blister beetles out of the alfalfa field. Then we went with the swather and took it down.

-William, 2nd Grade

"I played football with friends and rode my bike. I also spent my summer walking my pigs."

-Deacon, 1st Grade

"My favorite memory of summer is going swimming with my cousins."

-Scarlett, Kindergarten

"My favorite part of summer was getting ice cream, playing with my brothers, and going to a water park."

-Ethan, 1st Grade

"I went to birthday parties at Aunt Honey's house and did lots of swimming!"

-Deklen, 1st Grade

"My favorite memory of summer is going to Kansas for dance. I came back with several 1st place trophies!"

-Ashlynn, 5th Grade

"My favorite part of summer was being able to run in the mornings!"

-Mrs. Renbarger

# Advice

**DON'T COMPARE YOURSELF TO OTHER STUDENTS. EVERYONE IS ON THEIR OWN JOURNEY, AND WILL GROW AND CHANGE AT A DIFFERENT PACE.**

## STAFF SPOTLIGHT

We would like to welcome Ms. Houston to Calumet. We chose her for the staff spotlight because she is brand new to our school and we wanted to see how she was liking it so far. We interviewed her to get to know her a little better. We asked her how she liked being at Calumet School and she said she is loving it so far. We were curious why she came to Calumet and it is because her kids go to school here. Although she has never been a chef before, she cooks at home all the time. What she likes to cook the most is chicken alfredo! (We have tried it at school and it is delicious!) The thing she likes to do the most outside of school is take care of her kids. One thing she would like to change about the kitchen is to make it a little bigger. We hope you enjoyed this information about Ms. Houston coming to Calumet!
