- Basketball, Baseball, Golf, Cheer, Trap Shooting, Softball, Volleyball, Track, FFA, FBLA, Chess, Rubiks Cube, Quizbowl, Esports

Parents can become more involved and partner with the school in helping address academic and graduation issues for their students by::

- Attending Parent Teacher Conferences.
- Continue to submit survey and give feedback on 4 day school week.
- Volunteering to mentor students at school.
- Meeting with teachers, counselors, and administrators.
- Ensuring their student is prepared daily for school.
- Monitoring their students' classroom and homework assignments.
- Meeting with students to share information about careers
- Contacting the school district at 870-871-2418 if there are any problems that we can assist with.

Other

- Nevada Elementary has received a letter grade of B by DESE.
- With the LEARNS Act third-grade promotion law taking effect this year, Nevada Elementary is committed to working hand-in-hand with parents to ensure every child’s success. Throughout the school year, families will be offered parent meetings, learning sessions, and additional resources to provide support and guidance in helping students achieve grade-level goals.
- At Nevada Elementary, every student participates in a daily one-hour block called WIN—“What I Need.” During this time, students work in small groups or one-on-one with teachers to receive targeted support in the specific areas where they need to grow. WIN ensures that every child gets focused attention and instruction designed to help them strengthen skills, build confidence, and reach their full potential.
