Dodge County Teacher of the Month

The Dodge County Teacher of the Month program, founded by American Bank and the Heffron Family Fund, a part of the Beaver Dam Area Community Foundation, is looking for nominations to recognize teachers in the Dodge County area who go above and beyond for their students. Recipients of the award are recognized in their school and districts and receive a \$200 check to put towards their classroom or supplies.

We understand how teachers' efforts often go unnoticed nowadays and we feel the importance in recognizing their selflessness, inside and outside of the classroom. Dodge County has a plethora of talent in their education systems and we want to show them how much they are appreciated in our towns and communities.

Nominations can be submitted to marketing@americanbankbd.com & bdtoyman@gmail.com. Nominations should be in a short essay form and include why the teacher should be recognized, how they go above and beyond for their students, extracurricular activities they are involved in, how they make a difference in their community, etc. Nominations are reviewed at the end of each month and a recipient is chosen for the next month.

For more information about the program, visit <https://americanbankbd.com/dodge-county-teacher-of-the-month.html> or if you have any questions, please call 920.356.6999.

SAGES Students Proving Little Kids Can Do Big Things!

SAGES Kindergarten through 6th grade students will get to manage an agricultural business, and will be growing or creating an agricultural product to sell to the Community!

SAGES Kindergarten students grew some amazing produce in the garden, and have been busy cutting and chopping peppers, onions and tomatoes in preparation for their salsa sale! Students helped make 105 jars of Salsa- both mild and spicy!

Each agricultural class, grades K-6, will be managing an agricultural business, and will be growing or creating an agricultural product to sell to the Community and surrounding areas.

The businesses are being used as an educational opportunity and all proceeds will be start-up funding for the following year's businesses.

Please support the SAGES Students!
