ANNOUNCEMENTS

Dodge County Teacher of the Month

The Dodge County Teacher of the Month program, founded by American Bank and the Heffron Family Fund, a part of the Beaver Dam Area Community Foundation, is looking for nominations to recognize teachers in the Dodge County area who go above and beyond for their students. Recipients of the award are recognized in their school and districts and receive a \$200 check to put towards their classroom or supplies.

We understand how teachers' efforts often go unnoticed nowadays and we feel the importance in recognizing their selflessness, inside and outside of the classroom. Dodge County has a plethora of talent in their education systems and we want to show them how much they are appreciated in our towns and communities.

Nominations can be submitted to marketing@americanbankbd.com & bdtoyman@gmail.com. Nominations should be in a short essay form and include why the teacher should be recognized, how they go above and beyond for their students, extracurricular activities they are involved in, how they make a difference in their community, etc. Nominations are reviewed at the end of each month and a recipient is chosen for the next month.

For more information about the program, visit <https://americanbankbd.com/dodge-county-teacher-of-the-month.html> or if you have any questions, please call 920.356.6999.

On Friday, October 20th during our Inservice Day, SAGES' teachers applied the "Walls are Optional" motto and took it on the road! With the help of Beth Schaefer from Wisconsin AG in the Classroom, SAGES Teachers were able to visit Graves Family Orchard, an organic orchard located on HWY 49 in Brownsville.

Tyler, the proprietor of the orchard, was able to share with us how he and his family take care of the orchard. We learned how apple trees often start with the grafting process; and how his organic orchard is different than a "traditionally" run orchard. Then, SAGES teachers traveled to the Horicon Marsh to hear about the history of the marsh, and how easily we can incorporate the world around us and agriculture into our science and social studies lessons.

Welcome to the newest members of Waupun FFA – SAGES 5th & 6th grade students! A special shoutout to the Waupun FFA President, Abel Kooima, for spending some time with our newest members and handing them their first FFA t-shirt!

ACTIVITIES & ATHLETICS

CROSS COUNTRY STATE QUALIFIERS **JOSIE KOOIMA** **EFRAIN GUARDIOLA**

Good luck to Josie and Efrain as they compete at the State Meet in Wisconsin Rapids this Saturday!

Marshfield Medical Center – Beaver Dam will again be offering free sports physicals for those students/families who are uninsured or don't have a primary care physician established. There will be slots available at the Beaver Dam YMCA on Wednesday, October 25th from 3 pm–5 pm. Parents should utilize their well-child visits for this purpose if they are insured and have a primary care physician established. If your child has seen a provider for a well-child visit within the last 12 months, they can call that provider and have the sports physical signed and back-dated to that last visit. The clinic is trying to keep these slots open for those students and families who are uninsured.

This is a free service being donated by Marshfield Medical Center – Beaver Dam. Families should contact MMC-BD Family Practice to schedule a slot: (920) 887-5975
