

## MAUREEN DRUMMY SCHOLARSHIP

It is in memory of this extraordinary woman whose passion was politics and whose love was history that this scholarship is being founded by her family and friends. Those words from her high school valedictory address to..."Persevere in Spite of Adversity..." ring even louder now that she has shown us the way. May they serve as a catalyst for young men and women to enter the field of public service with the zest, the enthusiasm, the love... and the perseverance...of Maureen Drummy.
