

Richard E. and Marian L. Holmes Scholarship Fund

Richard Holmes was a long time science teacher at Waupun High School who has set up this scholarship fund to give worthy students who are graduating, or who have graduated from Waupun Area High School, the opportunity to continue their education beyond the high school level.

This scholarship is not restricted to one year; students may reapply each year they continue their post-secondary education.

This scholarship may be applied towards the cost of attending any recognized school of higher learning.

Multiple scholarships will be awarded based on the availability of funds.

Preference will be given to students continuing their education in the fields of nursing, medical technology, medicine, or related fields.
