

HOWARD & STELLA KUJATH SCHOLARSHIP

The Howard & Stella Kujath Scholarship is a memorial scholarship established by their family to assist a Waupun Area High School senior in pursuing a college education.

Howard was the superintendent from 1947-1974. During that time the community school districts of Alto, Fox Lake and Waupun were consolidated into the present Waupun Area School District. Stella was a speech therapist and worked in the school district.

The interest-funded scholarship will be awarded on a yearly basis with money held in trust by the Waupun Area School District.

To qualify a student must maintain a 2.5 cumulative grade point average and be accepted at any four-year accredited college. Special consideration will be given to students showing financial need.
