GARLAND LICHTENBERG TRUST SCHOLARSHIP

The Garland Lichtenberg Trust is offering **several** scholarships to help Waupun Area Junior/Senior High School graduates to defray the costs of attending college.

Eligible applicants must be accepted into (and provide proof of) a technical college and/or a nursing program at a technical college or a 4-year college. The amounts of the scholarships are variable and are based primarily on financial need. Eligible students with the greatest need as judged by a panel of school personnel will receive larger awards than students with less need.

The scholarship shall be applied directly towards the costs of tuition, books, and/or fees at the chosen technical college/4 year college. The award must be received/picked up within the following school year.

Applications shall be returned to the Waupun Area Junior/Senior High School Office no later than April 15, 2024. A committee of counselors, administrators, and teachers shall choose the recipients based upon need and academic qualifications deemed necessary for success.

Attach a copy of your acceptance letter from the school you will be attending next year.

Applications are due April 15, 2024

**GARLAND LICHTENBERG TRUST
SCHOLARSHIP APPLICATION FORM**

Name: _____

Address: _____

Phone: _____ Email: _____

Name of Parent/Guardian: _____

Circle one: High School Senior or Graduate and Year of Graduation _____
