

MICHAEL SMITS MEMORIAL SCHOLARSHIP

Scholar, athlete, friend are just a few of the roles where Michael excelled. He was passionate about sports and followed all the activities at Waupun Area High School. Golf was his game of choice and he played it as often as possible. Michael was a very vocal cheerleader of all sporting events that he attended and made his presence known.

Michael's plans after high school were to attend Fox Valley Technical College and complete an Associate Degree in Fire Science.

As a tribute to Michael, a scholarship fund has been established in his name, which will help other students who plan to attend college. This scholarship will be awarded at the Waupun Area High School Scholastic Awards Night. The scholarship is valued up to \$1,000 and more than one individual could be awarded this year.
