ATTENDANCE

Arrival and Dismissal

School starts at 7:50 a.m. The school does not assume responsibility, or the supervision of students until 7:25 a.m. Please do not leave your child at school before 7:25 a.m. Students in grades 3 - 8 are to go directly to the cafeteria on arrival. PK - 2 students should report to the gym or their respective classrooms.

The school day ends at 3:00 p.m. Car-riders will be released by the gym doors. Day-care riders will be released on the west side of the main building. Vehicles will be given a car tag with the child's Safe School ID number on it which is to be visible to ensure the duty teacher can see the tag. Students who do not ride the bus home MUST have a permission form on file listing the names and contact information of adults who may or may not pick up the student. STUDENTS WILL NOT BE RELEASED TO ANY ADULT THAT IS NOT LISTED, UNLESS ARRANGEMENTS HAVE BEEN MADE THROUGH THE OFFICE. All students must be picked up by 3:15 p.m.

If there is a change in transportation, please contact the office at 405-427-3771 by 12:00 p.m. so that the teacher and student may be notified in a timely manner. There will be no checkouts after 2:30 p.m. for the safety of our students. In the event of a doctor's appointment, please have your child picked up prior to 2:30 p.m.

Special Note: A pattern of failure to pick up students at dismissal could constitute neglect. If students are not picked up prior to 4:00 pm., the authorities could be contacted.

We are required to report child abuse and neglect to proper authorities.

Attendance

Regular attendance is vital for student success. Students should attend school all day, every day. If a child must be absent, it is the responsibility of the parent/guardian to notify the school by 8:15 a.m. Students who are ill should remain at home, not only for themselves, but for others. If a student is ill, a doctor's note will be required for the absences to be excused. If the student checks in or out during the school day for a doctor's visit, a doctor's note must be provided for the absence to be excused.

It is board policy that we notify the parent/guardian when a student has reached the absence level of 5 days or parts of days (unexcused/excused) in any class period during a semester. It is also board policy to notify the District Attorney's office of excessive absences. Truancy charges can be filed by the District Attorney once a child has been absent 10 days (or parts of days) during a semester. Students who have more than ten (10) days (or parts of days) of unexcused/excused absences during a school year may be subject to retention as outlined in the District Promotion Policy.

Class work missed due to tardiness or absences must be made up within five (5) days of the absence. It is the responsibility of the student to make up missed assignments. Parents of younger children should request the work from the teacher and assist their child in completing and returning the work.

Neglect or Refusal to Compel Child to Attend School

It shall be unlawful for a parent, guardian, or other person having custody of a child who is over the age of 5 and under the age of 18 to neglect or refuse to cause or compel such child to attend or comply with the rules of some public, private or other school. 70 O.S. Section 10-105

Early Dismissal

Attendance is important to your child's success in school. If you must pick your child up early for medical or other reasons, he/she must be signed out by a parent/guardian in the school office. Students may only be picked up by adults that are listed in the student information system, unless prior arrangements are made through the office. If the student is checked out for a medical reason, please bring a doctor's note to school the next day so the absence can be excused. **THERE WILL BE NO DISMISSAL AFTER 2:30 P.M.**

Tardy from Home

The federal government has recently developed guidelines that make attendance a very critical element of public education. It is of extreme importance that students are on time each day. This will ensure maximum benefit of the instructional day, **three (3) unexcused tardy will constitute a full day unexcused absence.** Students in grades PK - 4 arriving to school after 8:59 a.m., will have an absence recorded. Middle school students arriving more than 15 minutes after the start of a class period shall have a period absence recorded. Parents/guardians are responsible for making sure students arrive at school on time. If a student is repeatedly tardy (10 times during a semester), Crutcho shall file a report with the District Attorney's Office.

Tardy to Class

Students shall make every effort to report to class on time. Teachers will determine the consequence for tardiness, unless they become flagrant and defiant in nature, whereupon the incident will then become a discipline referral to the principal's office.

BEHAVIOR/DISCIPLINE

Bullying

Bullying is a serious issue; however, bullying is not simple teasing or annoying behavior. Bullying is defined as "unwanted, aggressive behavior that involves a real or perceived threat." No student shall be expected to tolerate being bullied by another student, group of students, or adult while at school. If students believe they are being bullied, they should notify the teacher in charge immediately. They should then follow our 3 Steps to Assessing Bullying: 1. Is it truly mean? 2. Is it repeated? 3. Does it include a power imbalance? Depending on the outcome, teachers will also advise the parent/guardian to contact the principal by phone or written notice on the following day. This will ensure all incidents of bullying are investigated and dealt with in a consistent manner. A Bully Box is also placed in the library for reports of bullying. A student is subject to out of school suspension for any kind of BULLYING! For more information about bullying visit; www.reacttobullying.org or www.iwitnessbullying.org. Per the bullying policy 70. O.S. Section 24-100.4 (A)(4)(d).

Classroom Discipline

Student discipline is designed to teach students the correct behaviors which lead to character development and responsible citizenship in the “real world”. Typically, students are expected to behave in a manner that is consistent with societal standards. The teacher may notify the parent if misbehavior persists. When necessary, the teacher may refer students to the principal.

Minor infractions of school rules and regulations may result in, but not be limited to, the following consequences:

- Financial repayment
- In-school suspension (all day)
- School service
- Immediate change of attire
- Anti-violence seminars
- Police assistance as warranted
- Loss of privileges
- Parental Shadowing

Drug-Free School

Students who possess, use, or distribute illegal drugs, including, anabolic steroids at school, shall be subject to disciplinary action. Such disciplinary action may include long-term suspension for up to 10. In addition to suspension, students are subject to referral for prosecution under applicable laws. Article XXIV, Section 487 of the school laws of Oklahoma gives School Districts the right to issue a long-term suspension to any student proven to be in possession or under the influence of a Dangerous and/or Controlled Substance. Crutcho includes Drug Education into the curriculum in compliance with Oklahoma School Law, Article IV Section 877.

Immediate Removal

A student whose presence poses a continuing danger to persons or property, or who is continually disrupting the academic process or environment, may be immediately removed from school and placed on home suspension for up to 60 days, pending the process hearing if the suspension is long-term. Any student who threatens harm to himself/herself and/or others will need a doctor's statement to return to school and the classroom.

Sexual Harassment

Crutcho District Policy prohibits sexual harassment as defined in the Board of Education policy manual. Victims will be referred for school counseling. Perpetrators will be considered for suspension and/or reported to law enforcement. All sexual harassment complaints should be submitted in writing directly to the building principal.

Student Searches

The administration, upon reasonable suspicion of possession of dangerous weapons, controlled dangerous substances, or any other item that could be potentially dangerous to the student or others, shall have the authority to detain and search, or authorize the search of any student or property in the possession of the student. The search shall be conducted by a person of the same gender as the person being searched and shall be witnessed by at least one other authorized person, said person to be of the same gender. 70 O.S. Section 24-102

Suspension

To ensure a proper educational climate, the administrator may suspend students. Suspension may be enacted when the student is guilty of continued misconduct and/or when other methods of disciplinary action as indicated in the above paragraph of this page have been ineffective in changing a student's adverse behavior. Suspension may be immediate, short term (10 days or less), or long term (more than 10 days and depending on the violation up to 60 to 365 days).

Repeated violation of discipline rules may result in an out of-school suspension. Complaints may be filed in the Office of the Superintendent. Upon request, the official records of a student may be inspected and reviewed by the student's parents or guardian. Additionally, parents or eligible students have the right to:

- Request amendment of educational records to ensure that they are not inaccurate, misleading, or in violation of the student's privacy or other rights.
- Consent to disclose educational records, except where consent is not required to authorize disclosure.

The Family Education Rights and Privacy Act (FERPA) (2011.5.C. 1232g; 34 CFR Part 99) is a Federal law required by all schools that receive funds under an applicable program of the US. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students". Parents of eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows

schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31):

- School officials with legitimate education interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for, or on behalf of, the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific state law.

Schools may disclose, without consent, "directory" information, such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about the directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Students may also be excluded from field trips as a consequence for misbehavior. Please note that student fees are negotiated with the school vendor to secure lower pricing.

If there is any change in the condition, proper steps will be taken to ensure the safety of all students, employees, and other occupants of the building.

Emergency Care

Parents shall provide at least three accessible emergency contact telephone numbers in case a student becomes ill or has an accident at school. Phone numbers should be updated as needed. The Administrator or a designee will seek proper care for the student and attempt to notify the parent/guardian as soon as possible. In an emergency situation, if the parent/guardian cannot be contacted, emergency medical services will be called. The parent/guardian will be responsible for the emergency care expenses.

Fire, Tornado, Lock Down and Bus Evacuation Drills

Drills are held throughout the year for safety purposes. Students will follow instructions, proceed quietly to the assigned area, and remain in the assigned areas until dismissed by the teacher or principal.

Head Lice

Students are not permitted to remain at school if they have live head lice. After a student is sent home with head lice, the parents/guardians must treat the lice and remove the nits (lice eggs). The student's hair must be inspected by a school employee prior to returning to the classroom.

Physical Education

All Kindergarten - 5th grade students attending Crutcho Elementary School will participate in physical education activities unless excused for medical or religious reasons. If a child is to be excused, a letter must be on file in the school office.

Parents/Patrons are expected to conduct themselves in an orderly fashion when conducting school business or visiting the school. Remember, you are your child's first teacher and children often pattern their conduct and attitudes after their parents.

Parent/Teacher Conference

Parents are expected to participate in at least one scheduled conference with their child's teacher(s) prior to the end of the third quarter. Four parent conference days are scheduled each year.

Conferences are scheduled on Tuesday and Thursday evenings in October and February.

This allows the teacher time to prepare materials and gather data that will make the conference more productive. If a parent is not successful in scheduling a conference for any reason, they should contact the principal at 405-427-3771 for assistance.

School Property

Students are responsible for the proper use and care of school property, such as textbooks, library books, desks, playground equipment, and any other equipment issued to enhance the student's educational experience. The parent/guardian of a student is responsible for the replacement or repair of damaged or lost school property when it is determined the damage is the result of the student's actions or negligence.

Visitors

For the safety of our students and staff members, all persons entering the building must report directly to the school office to sign-in and receive a visitor's badge. Visitors are required to have a valid I.D. to sign into our system. Visitors must sign out in the office when leaving.

Parent's Bill of Rights

The school district is in compliance with the Parents' Bill of Rights. Additional information is available for parents in the school policy manual on this subject. Parents may submit written requests to obtain the specific information listed in the Parents' Bill of Rights law during regular school business hours by contacting the building principal or the superintendent. 25 O.S. Section 2001.
