

**VETERANS DAY ASSEMBLY**  
**MISSION VALLEY ELEMENTARY**  
**Friday, November 10, 2023 @ 9:00 AM**

On Friday, November 10, Mission Valley Elementary School will celebrate Veterans Day with a school assembly at 9:00 AM. The program will consist of individual recognition of the veterans present, students singing patriotic songs, and more. If you have any family or friends who are veterans, please invite them to our Veterans Day program. We would be honored by their attendance and we would appreciate the opportunity to express our gratitude for their service and/or continued service. *A veteran is defined as anyone who has completed Basic Training (Active, Reserves, or National Guard). We consider them a veteran if they are still serving or have served.*

Following the assembly, all veterans and a guest are invited to stay for a reception, courtesy of our students and staff. To help us in planning this event, an RSVP for veterans attending would be appreciated. Please return the slip below to your child's teacher by Wednesday, November 8th. You can also call the elementary office at 866.557.6686 to let us know. We hope to have a great turnout of veterans – so we ask that you please pass the message along.
